Proposed Clearing Details

In order for this application to be assessed it is necessary to provide as much information as possible. Usually an inspection will have to be arranged. Is this requested related to any of the following?

Is this request related to any of the following?

- Clearing a fire break
- Burning Permit
- Fire management plan
- Safety Issues

For safety issues, you are advised to provide a tree assessment report prepared by a qualified arborist.

- Fencing / Boundaries
- Solar access

Provide a Map and Photographs

Provide a map overleaf and written details accurately showing:

- Location of trees in relation to property boundaries, buildings, dams, creeks, driveways etc
- Species of trees involved
- Method of removal or trimming and disposal
- Number of trees to be cleared or trimmed / area of land to be cleared.
- Are there any Development Permits current for this site?
- Reason for removal (e.g. safety, building, access, maintenance, fire management).

Site Plan

Details of Proposed Clearing: Please provide a sketch showing the location of the vegetation to be removed in relation to vegetation to be retained and other features such as buildings, fences and driveways.
