**Information Privacy Act 2009** – Redland City Council is collecting your personal information in accordance with *Subordinate Local Law no.1.1 (Alteration or Improvement to Local Government Controlled Areas and Roads) 2015 (SLL1.1)*, in order to process this application. The information will only be used by authorised Council Officers for the purpose of this structure on a road reserve and ensuring our records are accurate. Your information will not be given to any other person or agency unless you have given us permission or we are required by law to do so.

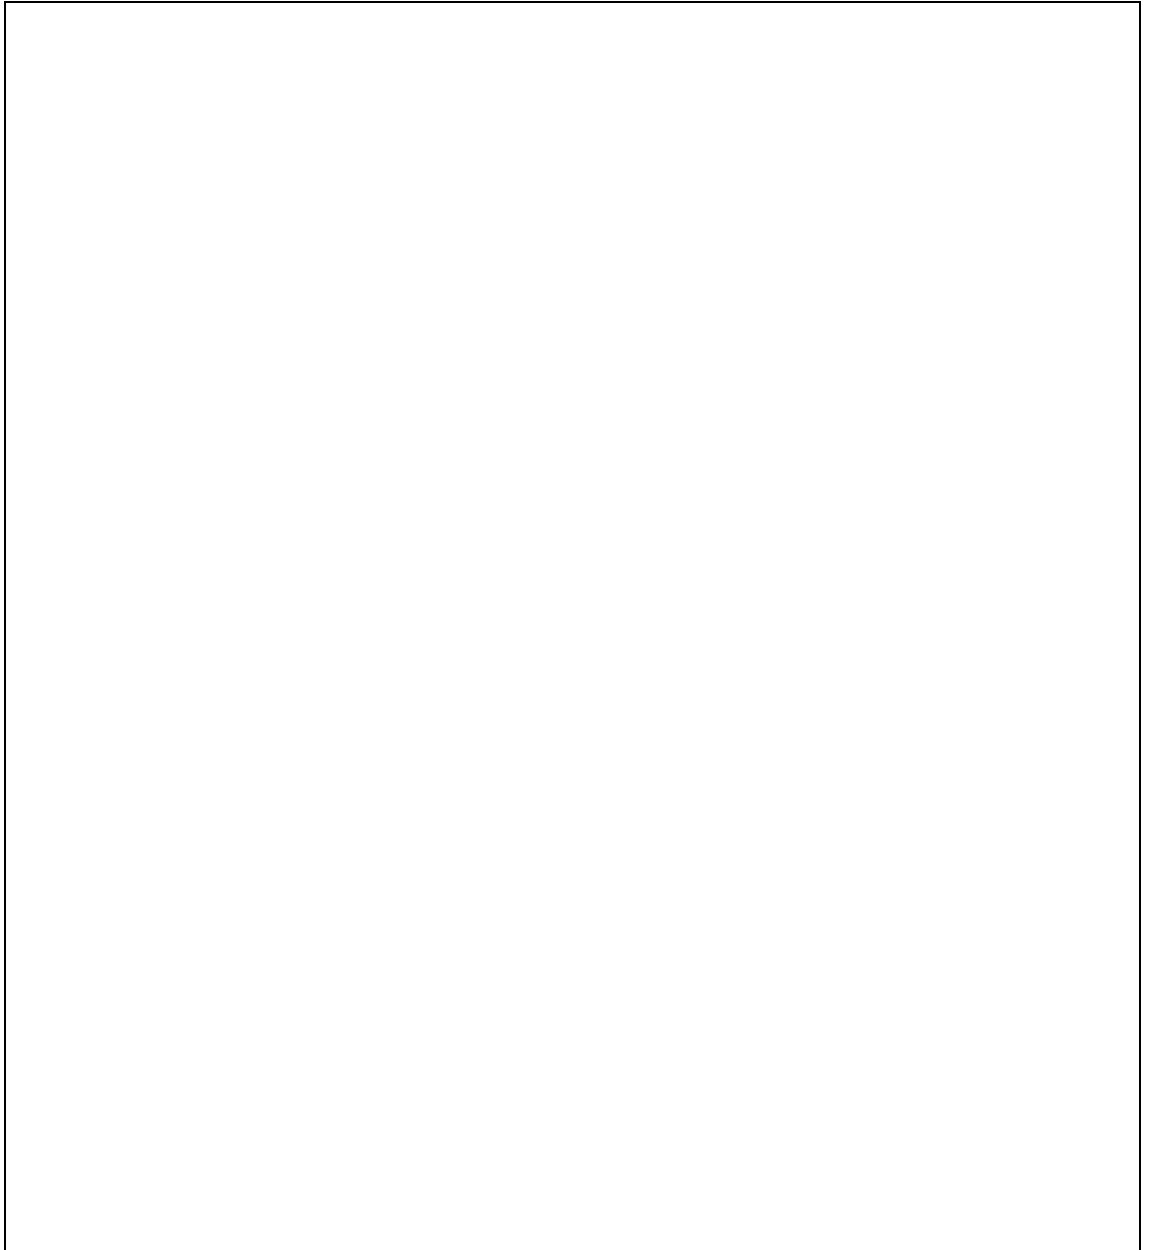

## Site Details

The scale adopted for site plan should not be less than 1:200 in an area fixing the structure's location, however, if a partial site plan will be required due to the size of the subject property then an overall plan will be required at a scale not less than 1:500

### Plan Requirements

- Exact location of where structure is being located on road reserve
- Structure setbacks from property and building alignments, driveways and/or clearance above
- Setback from all signage on property
- Location of essential services including overhead powerlines, water meter & sewer connection, etc
- Name of street.
