Release and Discharge

This includes:

Emptying waste bins (*including green waste and recycling bins*) on that property and/or removing waste bins (*including green waste and recyclables*) from the property.

Any damage of the kind referred to above or consequential damages suffered by a third party.

The release does not apply to damage caused as a result of the wilful or reckless act of the Redland City Council, its contractors, including employees and agents of either. However, to avoid doubt, the mere driving of waste collection vehicles on internal roadways which may not have been designed to cope with the weight or size of those vehicles is not, in itself, a negligent, willful or reckless act within the meaning of this exclusion.

Declaration

I/We hereby indemnify and agree to keep indemnified the Redland City Council, its contractors including employees and agents of either in respect of the whole amount of any liability, claims, demands, costs and expenses made against any of them or incurred by any of them in respect of such damage.
