On behalf of (organisations name)

I declare that I have donated my services free of charge for this event and do not own any other vehicle to transport waste and consequently need to use the vehicle as detailed above to transport my organisations waste to the Recycling and Waste Centre.

I undertake that the organisation is eligible for a waiver to dispose of clean, uncontaminated and segregated mixed waste or green waste up to the value of \$1000 per annum and must be transported in a vehicle with an CGVM mass of less than or equal to 4.5 tonne pulling trailers. For any vehicle over (including trailers) CGVM of 4.5 tonne, prior approval is required by the Service Manager, RedWaste.

I am aware that all waste generated must be from activities within the Redland City local government area. The original letter of exemption must be handed to the gatehouse staff. Photocopies will not be accepted.

I acknowledge that this approval is not transferable and not redeemable for cash.

I understand that Redland City Council reserves the right to remove this service should a misuse occur.
