

Background

The Systematic Inspection Program has been developed in accordance with the provisions of sections 113, 114 and 115 of the *Animal Management (Cats and Dogs) Act 2008*, and section 134 of the *Local Government Act (2009)*.

In order to determine the accuracy of records, identify new cat and dog registrations, follow up on overdue cat and dog registrations and provide education to pet owners on responsible pet ownership, a requirement exists for Animal Management to carry out a Systematic Inspection Program of all residential and business premises within the Redland City area.

Registration of cats and dogs is required annually, from the age of three (3) months.

Purpose

The purpose of the program is to identify new cat and dog registrations, follow up on overdue cat and dog registrations and provide education to pet owners on responsible pet ownership.
