Cemetery Minimum Standard for Work

Minimum Standard for Work in Cemeteries includes, but is not limited to;

- The work is limited to the Right / License held by the Licence Holder.
- Workers compensation and Public Liability are mandatory for all applications. A certificate of currency must be produced with each application and all applications must comply with Redland City Council requirements from time to time.
- When excavating for any work strict compliance with the confined space regulations is required.
- The contractor will comply with the requirements of the Redland City Council Work Cover requirements and the Worksafe Queensland regulations.
- The contractor is required to ensure compliance with any WH&S requirement. They will be held responsible by Council for any non-compliance and this will be regarded by Council as a breach of contract.
- All work must meet or exceed Australian Standards AS4204, AS4425. Additional minimum standards may be applied by Council as deemed necessary.
- All work must be carried out in a tradesman like manner.
- All materials shall be of a permanent nature (timber, bricks & mortar, untreated ferrous metals etc. are not considered permanent and may not be approved).
- The work shall not interfere with reasonable expectations of visitors to the cemetery or gardens.
- The work shall not encroach onto adjoining sites- that is, it will be limited and contained within the site or allotment described in the approval letter.
- It is the responsibility of the contractor to keep the site neat, tidy and be made safe at all times and to provide barricades and fence off the work area to make it safe and prevent access by any unauthorised people and to carry a safe work method statement for the approved works when on cemetery grounds.
- The contractor/worker must not allow access ways to be obstructed by materials, tools, plant etc.
- All debris, rubbish, materials, tools etc. must be removed from the immediate site and the cemetery memorial gardens at the end of each working shift.
- Allotments and monuments older than 50 years may be subject to the QLD Heritage Act 1992, the QLD Heritage Regulation 2015 and The Burra Charter. It is the responsibility of the applicant/grantee and contracted monumental mason to ensure that the proposed work is consistent with the requirements of the Act, Regulation and expectations of the Council. Proposed work is further subject to any Council cemetery plans of management, policies, requirements, cemetery regulations, etc.
- Application fees are payable to Council. Correct fees must accompany every application. Payment of fees does not constitute a permit to work. Fees are paid for the consideration and assessment of the application. Fees are not refundable if the application is rejected.
- Special conditions apply to lawn cemetery areas. Please check with Cemetery & Interment Services administration before making your application.
- All debris, rubbish, materials, tools etc. must be removed from the site and the cemetery or memorial gardens at the end of each working shift.
- All work must cease when a funeral or memorial service is in progress
