WRCC REDLANDS CYCLING FESTIVAL (Cleveland CBD Twilight Criterium Races)	The Redland Cycling Festival is an informal joint venture between the Redland City Council and the Wynnum Redlands Cycling Club. 2016 was the inaugural year, with 2017 building on the previous Years extremely successful Criterium event. Based on the experiences of the events it has been decided to continue to extend the total Festival over a few weeks rather than just two weekends. The main reasons for this is the realization that the logistics of making it all happen in just two weekends would be too difficult and also to enable the wider cycling community and clubs to actively participate cooperatively to make the whole Festival more inclusive. The Cleveland Criterium race will still be the main centrepiece of the Festival and is also a major event within the Cycling Queensland racing program and forms the opening event in the QTRS race series.	\$15,000.00
