

Pre-Lodgement Meeting Application

What is a Pre-lodgement Meeting?

A pre-lodgement meeting provides an opportunity for applicants to present a development proposal to Council Officers for preliminary comment and consideration. Meeting duration is 30 minutes. A Fee applies and is paid on lodgement of your request. Plans and supporting documentation are required.

A pre-lodgement meeting is not intended to pre-empt a final decision in relation to a development application which will be the subject of detailed assessment in accordance with the Planning Act 2016 and Redland City Plan.

Pre-lodgement meetings are not mandatory. However, it may provide the applicant with useful preliminary comments that may assist with the decision to proceed with the development application.

Council strongly advises that for all applications (other than of a minor nature) the applicant engages a suitably qualified consultant to represent them as these meetings.
