FEE REGISTER SUPPORTING INFORMATION

1. FEE CALCULATIONS AND MULTIPLIERS

All fee calculations are part thereof (charged in whole increments). For example: Rural use applications have an increment of 100m² therefore an application with a ground floor area (GFA) of 510m² would be rounded up to 600m².

Fee multipliers apply to fee calculations, based on the following:

- Code Assessment 1
- Impact Assessment 1.5

The following multipliers apply to an application for bulk assessment of dwelling houses (including concurrence agency response):

- 2-10 houses 0.75
- 11-50 houses 0.50
- 51 or more houses 0.25

2. REFUNDS

2.1 Non-refundable Requests

Building, plumbing, property searches and requests for copies of plans, reports and certificates are non-refundable, unless Council determines otherwise.

2.2 Refund Processing Fee

In those instances where Council is refunding part or all of a fee, a refund processing fee is payable as detailed in the table below (except in the case of Council error or for Dog or Cat Registration refunds as per item 1.3 below):

Refund Amount	Refund Processing Fee
\$0 - \$24.99	*Not applicable
\$25 - \$199.99	50% of refund amount
\$200 or greater	\$100

*Note: No refunds will be issued for amounts under \$25 except in the case of Council error.

2.3 Refund of Fees for Withdrawn Applications

If the application is withdrawn before it is decided by Council a percentage of the application fee will be refunded depending on the assessment stage reached at the time of the withdrawal:

Refund of fees for withdrawn application excluding plumbing applications	
Stage of Application	Refund Percentage
Application Part	80%
Information and Referral Part	50%
Notification Part	20%
Decision Part	Nil

Refund of fees for plumbing withdrawn applications	
Stage of Application	Refund Percentage
Application Part	80%
Information request issued	65%
Decision issued	50%
An inspection has been carried out	Nil

Note: All requests to withdraw applications must be made in writing.

Prior to payment the total amount of the refund to be paid will be reduced by the amount of the refund processing fee as set in item 1.1 above.

2.4 Refund of Fees for Dog or Cat Registration

A pro rata refund is available for dog or cat registrations under the following circumstances:

- Death of an animal
- Relocation from City area
- Animal is given away

Documented evidence to support the refund request is required.

Note: Dog or Cat Registration refunds are exempt from the Refund Processing Fee.

4. DISCRETIONARY FEE CALCULATIONS AND DISCOUNTS

Note that all discounts and fee waivers are to be recorded in the Fee Discount Register maintained by the administering group.

4.1 Discretionary Fee Reduction

Requests to determine an appropriate fee or reduce the application fee when a strict application of the scheduled fee is considered unreasonable or inappropriate considering the work required to carry out the assessment of the application, or where an appropriate fee has not been set, may be approved upon application.

Requests are required to be made in writing and accompanied by relevant supporting documentation. Should the delegated officer be unable or unwilling to determine a reduced fee at the time of lodgement (for example, in the case of impact assessable applications where the potential for submissions is a factor in consideration of any discount), the applicant is to pay the scheduled fee and any discount will be determined when the application is decided, at which time any part-refund will be paid. In determining requests for fee discounts, the delegated officers are to consider and document the following factors:

1. Level of assessment – including applicable zones and overlays;
2. Likelihood of submissions objecting to the proposal;
3. Intensity, scope and scale of proposed development;
4. Number of referral agencies and complexity of referral triggers;
5. Complexity of the technical requirements in support of the applications;
6. Anticipated workload;
7. Political and community interest sensitivity; and
8. Total calculated fee according to schedule and compared with fees for similar applications in Redland City Council's supporting schedule as well as other Councils.

A required fee may be refunded or waived under Council's FIN-011-P Discounts and Waivers of Fees and Infringements Policy or the *Planning Act 2016*, section 109.

1. Circumstances for waiving all or part of a required fee apply to –
 - a) A development application; or
 - b) A change application; or
 - c) An extension application; or
 - d) The referral, under section 54 of the *Planning Act 2016*, of a development application or change application to a referral agency.
2. For section 109(b) of the *Planning Act 2016*, all or part of the required fee for the application or referral may be waived if the application or referral is made by a registered non-profit organisation.

4.2 Missing Fee Calculation

The General Manager Community and Customer Services or the Group Manager City Planning and Assessment may determine an appropriate fee for a use or service not specified in the fee schedule.

4.3 Bona-fide Charities, Not for Profit Organisations and Other Organisations and Third Parties

A discount/rebate of 25% will be applied for bona-fide charities, not for profit organisations and other organisations or third parties which meet the following criteria:

1. Endorsed as a charity by the Australian Taxation Office; or
2. An incorporated association under the *Associations Incorporation Act 1981* which is not a club licensed under the *Liquor Act 1992*; or

 - 3.1 Does not have an existing management agreement with another licensed club; and
 - 3.2 Has no more than 20 gaming machines licensed in accordance with the *Gaming Machine Act 1991*; and
 - 3.3 The applicant is the owner of the premises the subject of the development application.

Supporting documentation confirming the status as an eligible charity, not for profit organisation or other organisation and third parties must be supplied with the application to receive the discount at lodgement.

Note: This discount does not apply to infrastructure charges.

4.4 Multiple Discounts

Where applicants meet the criteria for multiple discounts/rebates, discounts will be applied in the following order:

- Charity/not for profit organisation; then
- Other discounts.

Discounts will be applied to the balance of the fee following the application of the previous discount.

4.5 Non-Residential Use Base Fee

Where the development application involves more than one of the following uses (proposed on the same development site), only one base fee is applied (the 'per unit' description still applies to all uses, where applicable):

- Shop
- Office
- Food and drink outlet
- Health care services
- Veterinary service
- Community care centre

4.6 Combined Planning Application and Concurrence Agency Referral

Where the development application involves both a code assessable component for a material change of use and/or building works and a concurrence agency referral, only the code assessment fee will be charged.

4.7 Combined Concurrence Agency Referral and Operational Works/Conditioned Works Assessment

Where the development application involves both a concurrence agency referral and an operational works or a conditioned works assessment, only the operational works or conditioned works assessment fee will be charged.

5. RESUBMISSION OF A LAPSED APPLICATION

City Planning and Assessment Group

Where a development application for building work, operational work, reconfiguring a lot, or material change of use has lapsed and a new development application is submitted, a 25% discount of the current scheduled application fee will apply. This is subject to the following requirements being satisfied:

- a) A new application is resubmitted within 6 months of a previous application lapsing; and
- b) The new application is generally consistent with the lapsed application; and
- c) There have been no changes to the following:
