

## Community Grants Program - 2018/2019 Round 1 - Project support

Grant ID	Organisation Name	Project Title	Project Description	Approval Amount
<b>SUCCESSFUL APPLICATIONS</b>				
PS-191-006	Conservation Volunteers Australia	Tingalpa Creek Riparian Restoration	<p>CVA will use this grant to fund 11 supervised volunteer days manually removing weed species including Singapore daisy, mile a minute and madeira vine followed by planting native plant species including lomandras and dianellas which will be supplied by Council.</p> <p>Capalaba Rotary Bushcare Group has been restoring riparian zones along Tingalpa creek. Because of the site's proximity to water, no chemicals are used to treat weeds and all weed removal is done by hand. This is labour intensive, time consuming and has reached a point where the weeds are becoming too much for the group to handle alone.</p>	\$9,020.00
PS-191-007	Redlands Quilt Extravaganza Inc	Redlands Quilt Extravaganza Event	<p>The Redlands Quilt Extravaganza is a Biennial event held for the Arts and Craft Community of Redlands and surrounding areas to participate in an Exhibition of Quilts, Embroidery, and Textile Arts. The event is competitive and then all entries of work are displayed for the public to visit and enjoy the many talented Arts and Craft people living in the city of Redlands. We invite local Businesses, Community Quilt, Embroidery, Textile Arts and Craft Groups to be participate at the event.</p>	\$4,722.00
PSOOR-191-001		Minjerriba Respite Community Garden	<p>Minjerriba Respite would like to create a community garden onsite at the Respite Centre. We aim to engage seniors within the North Stradbroke Island Community as well as involving and building partnerships with the rest of the Island community. We will engage the youth on the island through Dunwich State School and their Environment Club and create opportunites to gather different groups together to share and pass on knowledge. The focus will be on growing fresh food to be used in peoples homes and for cooking classes at the Respite Centre as well as growing and promoting the growth of natives. Respite staff and clients along with community members will tend to and maintain the gardens. Part of the project will also be to engage the Minjerriba Moorgumpin Elders In Council to assist with naming of plants in the local Jandai language to maintain the rich Aboriginal heritage of North Stradbroke Island.</p>	\$9,639.25
<b>TOTAL</b>				<b>\$23,381.25</b>
