**Additional information for applicants**

**RADF Liaison Officer (RLO)**
The RADF Liaison Officer is a Council Officer who is your main contact for the RADF Program. Council liaises with Arts Queensland to ensure local appropriate management of the RADF Program and RADF Committee.

Council’s RADF Liaison Officer can help you develop your project and explore other funding opportunities.  
It is recommended that all applicants contact the RADF Liaison Officer for help in understanding the RADF Program and in writing their grant application. The RLO can provide vital information and resources and if necessary can meet with you or arrange to meet with a RADF Committee member.

**Eligibility checklist**
Each professional or emerging artist receiving financial benefit from an RADF grant must complete the Eligibility Checklist for Professional and Emerging Professional Artists. This checklist has been developed to determine the professional or emerging professional status of all artists receiving RADF grant money. Artists being paid by RADF grant money must meet at least three of the twelve criteria on the checklist.
Australian Business Number (ABN)
It is not mandatory for RADF applicants to hold an ABN. However, if they do not have an ABN the application must be auspiced by an incorporated organisation or an individual with an ABN (known as the auspice body) who manages the grant on behalf of the applicant. The auspice body is responsible for providing a financial report on completion of the project. It is not responsible for the artistic direction or quality of the project.

Support material
Brief and clear support material strengthens your application. Include only relevant support material, such as:
- Curriculum Vitae (Resume) from all professional arts and cultural workers employed in the activity.
- Letters of Support from project partners, a community Elder, workshop leader or groups that will benefit from the project. Avoid support letters from people within the project.
- A comprehensive budget using the template on the application form.
- Example of previous artworks or projects.

Information for successful applicants

Goods and services tax (GST)
If you or your entity has an Australian Business Number (ABN) and is registered for GST, your funding will be grossed up by 10% to cover the GST liability. If you or your entity has an ABN but is not registered for GST, any funding paid will not include a GST component.

Invoice and payment
Council prefers electronic funds transfer as its payment option. If you have not received a grant before, a Supplier/Creditor Information form needs to be completed prior to the payment. This will be sent with your Letter of Offer.

A Purchase Order Number will be provided with your Letter of Offer. This number needs to be quoted on your invoice.

If your grant is being auspiced on your behalf, please arrange for the auspicing organisation to issue an invoice.

Variations to the project
Funding cannot be used for any activities except those specified in your funding agreement, which includes your application, and letter of offer, unless a variation of the funding agreement is sought from, and approved in writing by Redland City Council. You should request approval from the RADF Liaison Officer or the Manager of Creative Arts, via email immediately if there are any changes to:
- Key personnel
- Timelines
- Budget
- Funding from other sources
- Location or Venues
- Project Outcomes
Outcome Reports / Acquittals
Successful applicants must complete a RADF Acquittal for Public Projects and Activities Form on-line in Smarty Grants no more than eight (8) weeks after completing your funded activity. This acquits the local RADF monies you have spent.

- If you fail to acquit your grant, you will be ineligible to apply for future funding through Redland City Council and you may be asked to repay the monies. Your Outcome Report must show evidence of the outcomes of the activity and how the RADF money was spent. It is a chance to reflect on the level of success your activity achieved by:
  - Identifying key outcomes.
  - Information about the artistic, cultural, social and economic outcomes of your activity.
  - Assessing the benefits and drawbacks.
  - Learning from any difficulties and recognising the potential for growth or new directions in your work.
  - Checking your financial estimates against your actual expenditures and any documentation including photographs, videos, press clippings or brochures.

Acknowledgements
Successful RADF funded activities must acknowledge the Queensland Government and the Council in all promotional material, publications and products by inclusion of the RADF acknowledgement text below and logos provided to you by Redland City Council with your funding agreement.
