Mandatory Requirements

Application for bud lighting will be accepted subject to compliance with the following application criteria

- All supporting documentation must be provided to be a properly made application
- Permits must be sought by a collective business group for a permitted street location/ streetscape
- Permits will only be considered for a single business where they are not part of a group of shops or commercial premises
- Certificate of Currency for Public Liability Insurance to the value of \$20million
- Lighting must comply with on form 002-Bud Lighting Application Requirements
- Lighting must be white or warm white (coloured lighting is not permitted) and provide a consistent effect
- Maintenance must be performed and recorded as per 003-Bud Lighting Maintenance Checklist
- The maintenance checklist declaration must be signed and submitted for the application to be considered properly made
- Permits will only be valid for a period of 3 years and not renewed automatically. (If renewing, applications must be submitted no later than 2 months prior to end of permit period)
- Permits are not transferrable and removal is the responsibility of the permit holder
- The street tree in question must;
 - Have established branches of no less than 50mm in diameter
 - Be at least 3.2 metres tall if wiring is to run from street tree to business premises
 - Be located within the direct proximity of business premises or be approved as a business collectively permitted streetscape
 - Be located along permitted street locations

Declaration

- I acknowledge and agree to abide by the terms and conditions of the permit for Bud Lighting on Council Street Trees imposed by the Council
- I understand that I may be liable for any breach of a permit issued to me for Bud Lighting on Council Street Trees.
- I acknowledge and agree to engage a qualified electrical technician for the installation of the Bud Lighting to be connected to main power.
- I acknowledge and agree to cover all costs associated with installation maintenance and repairs, and removal at the end of approval or if directed by Council
