PS-201-009	Cleveland Air Magic Association Inc	Cleveland Air Magic Christmas Showcase	Our project is to increase the community awareness of Cleveland Air Magic Skipping Club by hosting an event at the Cleveland Assembly Hall which can cater for 600. Our project is to create Christmas Showcase will involve all Club Members from Rec Skippers to our current World Champions. The Showcase will be a fun, action-packed exhibition that both encourages skippers to have the confidence to shine on a stage and perform in front of a large audience, but also showcases skipping to the community who have little knowledge of the upcoming Olympic sport. Ultimately we want to gain new memberships, increase the profile of the sport and raise funds. Our Club has not hosted an event like this in the past and we believe that hosting a come and try opportunity like this will have significant benefit to the Redland community.	\$9,204.26
PS-201-010	Horses for Health Redlands Incorporated	Understanding Neural Pathways of Fight or Flight	A collaboration between Horses for Health Redlands, Horses Helping Humans and L&L Horse help to deliver 'Understanding Neural Pathways of Fight' an equine assisted learning training event. Five groups of ten will be targeted including; Youth with autism boys, Youth with autism girls, Indigenous youth, Youth at risk and Veterans	\$9,989.50
PS-201-018	Redlands District Committee on the Aging (RDCOTA)	Ageing Enabled and Innovatively on Island Communities	Our project seeks to innovatively contribute to addressing the identified issues for Older Australians with respect to isolation, emergency notification, limited mobility, accessibility, health care and transport. Older people on the Southern Moreton Bay Islands are being disadvantaged, sometimes they are left out, neglected, placed at risk, isolated, not provided adequate information, and as a result, have little opportunity to be part of the design of solutions for improving their individual and community outcomes. Our submission seeks to take a fresh look at the contemporary issues related to older people on these island communities and to investigate and implement improved outcomes with them and for them. Our approach is directed at harnessing innovation and new technologies, Co-designing and with older people new approaches and implement these new approaches specifically to improve quality, safety and security of older Redland residents.	\$9,950.00
