| S20-R1-020 | Living with IT Pty Ltd | Redlands Coast Small Business Expo | The primary goal of the Redlands Coast Small Business Expo is to bring together businesses from across the region and South East Queensland to give them a ‘shop front’, network and connect with other businesses, with the goal to generate \$1 million in sales leads at this one day event. The Small Business Expos program is the largest business-to-business sales focused program in South East Queensland and there is no other program like it in Australia. From the first expo in 2014, industry groups, local chambers, local councils and business have come together. The Expos are supported by over 70 business industry groups, all levels of government and media. It’s a collaborative program where all stakeholders work together to put the expos on, building a strong framework to make it easier for business to ‘do business’ across the region. | \$10,000.00 |
| S20-R1-021 | Circular Economy Foundation Ltd | Redland Seafood Festival | The Redland Seafood Festival looks to promote the Redlands Coast Region, the Local Seafood, Redlands Coast as a destination, local organisations and businesses, and waterside recreational facilities. Accessing the local seafood producers is key to showcasing what is on offer. Incorporating local businesses as vendors to cook, and incorporating local groups and organisations for the delivery of the event, will provide the community with ownership and create a sustainable Signature Event going forward. Provide adequate quantities and variety of Seafood, reduce serving sizes allowing sampling of Redland Coast Seafood. Local businesses are the key to providing this experience. Circular Economy Foundation will promote this event as Waste Management Best Practice. We are seeking local members and want to educate the community on sustainable living and households. | \$15,000.00 |
