

Domestic driveway crossover checklist

For development that is accepted subject to requirements and assessable development under the transport, servicing, access and parking code.

Domestic driveway crossover – Acceptable Outcomes

<input type="checkbox"/>	AO1.1 Driveway location and design complies with driveway access location and the standard drawings contained in planning scheme policy 2 – infrastructure works.
<input type="checkbox"/>	AO2.1 All parts of a driveway are entirely contained within the width of the lot frontage.

REF: Table 9.3.5.3.1—Benchmarks for development that is accepted subject to requirements and assessable development

Declaration

This checklist is intended to help people gain an understanding of the Redland City Plan and is a GUIDE ONLY. The content of this checklist is not intended to replace the provisions of Redland City Plan and should be read in conjunction with this checklist.

I confirm that my development proposal complies with the above accepted checklist.
