Head of Power

Local Government Act 2009

Use of information by councillors s.171(3) - *A councillor must not release information that the councillor knows, or should reasonably know, is information that is confidential to the local government.*

Use of information by local government employees s.200(5) - *A person who is, or has been, a local government employee must not release information that the person knows, or should reasonably know, is information that-*

- (a) Is confidential to the local government; and*
- (b) The local government wishes to keep it confidential*

Code of Conduct for Councillors

Employee Code of Conduct

Local Government Regulation 2012

Closed meetings s.275

Policy Objective

To protect sensitive or potentially prejudicial information (created within Council or received by Council) so as not to harm or compromise the interests of Council or any individual or organisation, or enable any individual or organisation to gain a financial advantage and assure the distribution of sensitive or potentially prejudicial information is managed in a way that provides, to the fullest extent possible, maximum protection of that information.

Policy Statement

Redland City Council, through its Corporate Plan, is committed to enriching community lifestyles and making a positive difference in our customers' lives through the services we provide. We are forward thinking, engaged and strive to maintain the highest standards of service to ensure we are delivering real value.

Council is committed to:

- Transparency and accountability in its decisions and operations including information released in accordance with the *Right to Information Act 2009*.
- Proper collection and handling of personal information and appropriate management of access to such information in accordance with the *Information Privacy Act 2009*.

Confidential Information and Reports Policy

- Responsible capture, storage, management, delivery and preservation of information in a manner that will derive maximum benefit for Council and the community.
- Protecting information from misuse, theft, corruption and destruction by applying enterprise content management guidelines consistent with the value of the information resource and the privacy rights of individuals, companies and other organisations.
- Ensuring ethical behaviour by all who use Council's information resources.
- Ensuring a proactive approach to the responsible management of all information through appropriate education and training of Councillors and staff.
