

Amenity and Aesthetics Policy

Policy Identifier:	LUP-001-P
Date of Approval:	General Meeting
Effective Date:	10 June 2020
Review Date:	10 June 2020
Approved by:	10 June 2023
Version:	7

Head of Power

Redland City Council has made declaration under Schedule 9, Part 3 Division 2 of the *Planning Regulation 2017*. This declaration does not apply to building work subject to an application for a Material Change of Use (MCU) approval.

Policy Objective

To address the community's expectations on neighbourhood amenity throughout Redland City and to ensure that buildings and structures are in character with the locality in which they are to be erected with regard to scale, siting and external design. A guideline which outlines the assessment criteria has been prepared to support this policy.

Policy Statement

Redland City Council, through its Corporate Plan is committed to enriching community lifestyles and making a positive difference in our customers' lives through the services we provide. We are forward thinking, engaged and strive to maintain the highest standards of service to ensure we are delivering real value.

Council is committed to the resolution made under Schedule 9, Division 2 of the *Planning Regulation 2017* that an application must be referred to Council (as a concurrence agency) for an Amenity and Aesthetics assessment, together with the relevant fee being paid to Council, prior to any building work decision notice being determined by the Private or Council Certifier.

This includes the following items that Council considers may have an extremely adverse effect on the amenity, or likely amenity of a locality, or may be in extreme conflict with the character of a locality:

- Shipping containers and railway carriages that may be used for Class 10a purposes.
- Single detached Class 1a and 10a buildings that have been removed from other site/property and then transported and reconstructed onto premises within the Redland City.
- Single detached Class 1a buildings with a total area less than 60m² (excluding garage/carport and verandas) on the Southern Moreton Bay Islands.
