Head of Power

Section 195 of the *Local Government Regulation 2012* (Qld) ('the Regulation') requires the development of a policy governing local government grants to community organisations including the criteria to be eligible for a grant. Section 194 of the Regulation stipulates the conditions for a local government to give a grant to a community organisation. Section 189 of the Regulation stipulates the reporting requirements for grants to community organisations and discretionary funds.

This policy seeks to ensure Council meets its obligations as stipulated in the *Local Government Regulation 2012* and supports Council's 'Our Future Redlands – a Corporate Plan to 2026 and Beyond'. This policy promotes transparent and effective processes, good governance and a commitment to act in accordance with the 'local government principles' (see *section 4 of the Local Government Act 2009*).
