Not only do mangroves have huge ecological and economic value but they contribute to our sense of place and reinforce our identity as islanders. We plan a two day festival with one day set aside for school children and the other for the general public. There will be walks led by experts, boat trips to the mangroves, a key note address by a guest speaker, Quandamooka participation and art exhibitions that draw their inspiration from mangroves.	\$2,500.00

S21-R1-012	North Stradbroke Island Golf Club Inc.	The SeaLink Stradbroke Ferries Legends PRO AM	The SeaLink Stradbroke Ferries PRO AM has been a one day golf event which attracts golfers from Queensland interstate and overseas. The event has been held annually since 2018. The PRO AM now attracts over 100 players and significant numbers of spectators annually to Stradbroke during August which is the low tourist season. The 2021 event will be a two day event which the Club wishes to grow until it attracts 500 sports tourists. This is the limit which the Islands transport and accommodation can deal with. Given the new two day format it is expected that the 2021 event attendance will exceed 200 players with additional spectators.	\$4,500.00
