OS-202-028	Redland Bushwalkers Inc.	Redland Bushwalkers Inc. website upgrade	This project will upgrade RBW's website so that existing and potential members can better access information about the Club and its activities. Our current website was designed about 10 years ago and lacks functionality. Members and would-be members currently have to either attend a meeting or personally contact activity leaders to learn about and sign up for Club activities. The upgraded website will allow online registration, and will also link to other sites such as Facebook. This will also better suit younger, tech-savvy members of the community who commonly use social media to connect with friends and activities.	\$3,000.00
