

Open for Business

It's also the perfect place to consider investing.

Located at the centre of South East Queensland – only 35 minutes' drive from Brisbane, Australia's third-largest city – Redlands Coast boasts easy access to the Port of Brisbane, and Brisbane and Gold Coast airports.

Redlands Coast is ideally positioned on the doorstep of Asia and the Pacific Rim with access to major transport corridors in South East Queensland.

Redlands Coast has a 25-year economic framework – the Redland City Economic Development Framework 2014-2041 – which provides a clear direction for business growth guiding sustainable economic development.

Why Invest in Redlands Coast?

- Growth area for industry sectors including education and health
- Room to grow and ideal opportunities for residential and tourism infrastructure development
- Dynamic local business community
- Sandbox to pilot innovation
- Well-educated, engaged residents, growing population
- Pro-business local government
- Unique environment renowned for breathtaking coastline and relaxed, comfortable lifestyle
- Emerging tourism region in South East Queensland, capturing international attention for eco-tourism and preservation of Indigenous culture.
