Plaque Inscription Guidelines

Council does not allow memorial or commemorative plaques in any of its parks or on park furniture. Inscriptions on the plaque that indicate lifetime may not be used and wording must be in the present tense to keep the inscriptions uplifting, while still honouring the person who is being remembered by the Tribute Park Seat. The plaque is 50 mm high and 100 mm maximum length. This allows for a maximum of three lines and approximately 36 characters or 12 words per line.
