

# News from our neighbourhood

## What's happening in Division 1

Thank you to the residents of Division 1 for your support. Local council is the level where it all happens - roads, rates, and rubbish. I promise, as I did in 2008, to work hard to represent you with energy, accountability and transparency.

Extra funds from the return of our Redland Water business have given Council the opportunity to offset some costs to ratepayers. This increase in revenue will see our Financial Strategy adjusted to ensure optimal benefit to our community.

February's review of our 2010 Financial Strategy by Queensland Treasury Corporation stated Council is in a strong financial position to move forward and is up there with the best in Queensland.

Currently I have several projects on the go. I endeavour to keep up-to-date details of these on my website. Another project recently completed is the Ormiston dog off-leash area. To celebrate, I thought a community get together on Saturday 2 September 4pm to 5pm would be fitting. I have tables, so if everyone could bring a chair and a plate to share we will toast the much loved new area.

The Local Area Traffic Audit was recently completed in Wellington Point Village to investigate safety for both cars and pedestrians.

I appreciate the work everyone does throughout the division for

the community. After the last four years my levels of energy and determination have risen. So many of you inspire and amaze me with your community work and depths of passion for your groups. Community is our strongest asset in the Redlands. Add this to our natural assets, 'Bush, Bay, Beach', and it is no wonder we are all so proud and protective over our City. We must ensure we do not affect our envious quality of lifestyle.

I appreciate all emails alerting to me concerns and issues. The more eyes and ears and networks there are in the community the stronger we become.

If you would like to receive my regular updates please email at [wendy.boglary@redland.qld.gov.au](mailto:wendy.boglary@redland.qld.gov.au) and I will add you to my newsletter contact list.

Warm regards

Cr Wendy Boglary

### Upcoming projects

#### Moreton Bay Cycleway, Ormiston

This cycle and walkway will connect the northern part of Ormiston with Wellington Point (Hilliards Creek Crossing) as part of the bigger Moreton Bay Cycleway project (50% funded by the state government).

\$2,237,500

#### Burnett Street, Wellington Point

Burnett Street will receive new underground drainage, kerb and channel and widening from the Main Road/Edith Street intersection to Station Street.

\$489,907

#### Starkey Street, Wellington Point

A new culvert crossing will link to the existing pathway on Duncan Street.

\$84,000

#### Pathway and boardwalk linkages to Wellington Point Village Green

This year will see the design phase of a pathway and boardwalk linking the Village Green to Wetlands Link Park, Wellington Point.

\$80,000

#### Bicycle parking on Main Road, Wellington Point Village - construction

\$8,000

#### Design of foreshore access ramp for Sleath St, Ormiston

\$7,500
