What's happening in Division 1

Dear residents, what an exhilarating year!

Once again I have proudly and thoroughly enjoyed representing you.

While you organise your Christmas, please shop locally. What an economic boost for the Redlands if everyone shopped for their Christmas ham through to grandma's present, locally. Last year I was able to do all my Christmas shopping for food and some presents within two hours on my way home...no stress, buy local and create local opportunities!

It is also great to see roadworks completed throughout the Division from Ormiston State School through to Wellington Point Village.

I am also monitoring the Telstra Tower and the trial of shared parking at the Reserve. An update on all projects and future projects can be found in detail on my website.

2012 was a year of celebrations with Ormiston House celebrating its 150th anniversary and Ormiston State School enjoying its 140th anniversary. Both were fantastic days.

Also, with Redlands' huge sporting heritage, a committee is forming to plan the *Redlands Sporting Hall of Fame*.

It will preserve our sporting memories and promote events such as the National Bocce Championships, to be held in June 2013.

Preserving our heritage and respecting our past is vital to our future. The year ahead will have a focus on the *Planning Scheme*, which is the blueprint for the future planning of our city. I want to ensure that in designing the future of our City, Council is indeed planning **YOUR FOCUS**. I will be holding a community meeting in the New Year for discussion and explanation of the process as this is very important to each and every one of us and your input is vital and valued.

Have a wonderful Christmas season. Take care with your family and friends and I look forward to working with you in 2013!

Joy to the world,

Cr Wendy Boglary
