## What's happening in Division 7

Dear residents

Thank you to all of the residents who have supported me during the recent Local Government Election. Your support is appreciated and I am proud to be serving again as your Councillor for Division 7.

In addition to my role as Councillor I am very pleased to have been appointed the Chairperson of the Development Assessment and Community Standards Committee.

My priority is, and always has been, the community and your ideas. Please continue to contact me with regard to local issues in the area, as your suggestions are appreciated.

Take care until next time.

Kind regards

Cr Murray Elliott
