## What's happening in Division 9

Well, with Council elections over for another four years, I would like to truly thank every resident in Division 9 for their support in making me your representative.

I assure you that I will, at all times, act in the best interest of all local residents. As a mostly new Council, the early focus has been on learning so that we can be equipped to deal with issues that we face day to day such as budgets, planning, community issues etc. Ultimately, it is my goal to spend less time in Council meetings and more time in the community.

I have recently had the pleasure of becoming the patron of the Capalaba Senior Citizen's Club. The club meets every Friday morning beside the Capalaba Library. If you would like to join in for a social outing and a few laughs each week, feel free to contact me and I will introduce you to this great group of seniors.

I have always said that a representative's job is to represent the views of the community, not push their own agenda. It is only through regular contact with clubs, community groups, schools and individuals, that Council (and myself

in particular) can gain a better idea on your views and concerns for Division 9 and Capalaba.

As a father of a young family, I have been involved in a few of our great clubs over the years and have been slowly introducing myself to others. If, for some reason, you haven't seen me at your club or school yet, please feel free to give me a call so that I can come and introduce myself.

Once again, from my family to yours, thank you for your support and for giving me this great opportunity. I look forward to representing your interests for the next four years.

Warm regards

Cr Paul Gleeson

### What's on in the Redlands!
