OS-211-020	Redland City Bands Incorporated	Redland City Bands Incorporated Strategic Planning	Our project is to update our strategic plan (2015 to 2017) with a new 3-5 year plan to enable a review of our objectives and strategies in line with changes in membership, assets and goals of the organisation. We will work with a contracted consultant to complete a strategic planning revision and update. This will help to structure our priorities and activities and provide stability as committee member's change. It will help define our roles, responsibilities and actions; and grow the organisation. The achievements we expect are: 1. A positive direction for our organisation with documented priorities and actions. 2. Development of visionary ideas to help attract new members and improve and expand our services to the community. 3. Sustainability for our organisation with possible new income streams and better access to grants.	\$3,000
