Redland City Council Strategic Goals

Redland City Council's RADF program is informed by Redland City Council's Corporate Plan [Our Future Redlands: A Corporate Plan to 2026 and Beyond](#) and the [Cultural Policy ART-001-P](#)

Three locally-determined priorities are supported by Redland City Council's RADF 2021 – 2022:

	Quandamooka Country	Our city embraces the rich Aboriginal heritage of Redlands Coast (Quandamooka) and the Traditional Owners' ongoing custodianship of Quandamooka land and waters. We work together for the future of Redlands Coast on Quandamooka Country.
	Thriving Economy	Our thriving economy recognises the benefit of our unique geography and is underpinned by enabling infrastructure, supportive policy and successful partnerships which maximise opportunity for growth in industry, job creation, innovation and environment.

Eligibility checklist

Each professional or emerging artist receiving financial benefit from an RADF grant must complete the Eligibility Checklist in the application form on SmartyGrants.

This checklist has been developed to determine the professional or emerging professional status of all artists receiving RADF grant money.

Artists being paid with RADF grant money must meet at least three of the twelve criteria on the checklist.

Australian Business Number (ABN)

It is not mandatory for RADF applicants to hold an ABN.

However, if they do not have an ABN the application must be auspiced by an incorporated organisation with an ABN (known as the auspice body) who manages the grant on behalf of the applicant.

The auspice body is responsible for providing a financial report on completion of the project, but is not responsible for the artistic direction, delivery or quality of the project.

Support material

Brief and clear support material strengthens your application. Include only relevant support material, such as:

- Curriculum Vitae (Resume) from all professional arts and cultural workers employed in the activity.
- Letters of Support from project partners, a community Elder, workshop leader or leaders of groups that benefit from the project. Avoid support letters from participants or audience members within the project.
- 2 or 3 itemised quotes as part of your application.
- A comprehensive budget using the template on the application form.
- Example of previous artworks or projects.

Information for successful applicants

Goods and services tax (GST)

If you or your entity has an Australian Business Number (ABN) and is registered for GST, your funding will be grossed up by 10% to cover the GST liability.

If you or your entity has an ABN but is not registered for GST, any funding paid will not include a GST component. For goods and services that attract GST, include the whole amount in your budget.

Invoice and payment

Council prefers electronic funds transfer as its payment option.

If you have not received a grant before, a Supplier/Creditor Information form needs to be completed prior to the payment. This will be sent with your Letter of Offer.

A Purchase Order Number will be provided with your Letter of Offer. This number needs to be quoted on your invoice.

If your grant is being auspiced on your behalf, please arrange for the auspicings organisation to issue an invoice.

Variations to the project

Funding cannot be used for any activities except those specified in your funding agreement, which includes your application, and letter of offer, unless a variation of the funding agreement is sought from, and approved in writing by Redland City Council.

You should request approval from the RADF Liaison Officer or the Manager of Creative Arts, via email immediately if there are any changes to:

- Key personnel
- Timelines
- Budget
- Funding from other sources
- Location or Venues
- Project Outcomes

Outcome reports

Successful applicants must submit an online Outcome Report no more than eight (8) weeks after completing your funded activity.

If you fail to acquit your grant, you will be ineligible to apply for future funding through Redland City Council, and you may be asked to repay the funds.

Your Outcome Report acquits the grant by providing evidence of the outcomes of the activity and how the RADF funds were spent.

Reporting is a chance to reflect on the level of success your activity achieved by:

- Identifying key outcomes.
- Examining the artistic, cultural, social and economic outcomes of your activity.
- Evaluating your practice by assessing the benefits and drawbacks.
- Learning from any difficulties and recognising the potential for growth or new directions in your work.
- Checking your financial estimates against your actual expenditure.
- Collating any documentation including photographs, videos, press articles or brochures.

Acknowledgement requirements

Successful RADF funded activities must acknowledge the Queensland Government and the Council in all promotional material, publications and products.

Include the RADF acknowledgement text below, and logos provided to you by Redland City Council with your funding agreement.
