

Operational Plan 2021-2022

Performance Report

**January to March
Quarter Three (Q3)**

Operational Plan Performance Reporting

The *Local Government Act 2009* requires Council to adopt an operational plan each year. The Operational Plan 2021-2022 (the Plan) is an important planning document which sets out how Council intends to implement the Corporate Plan 'Our Future Redlands – A Corporate Plan to 2026 and Beyond'.

The Plan is structured to reflect the seven goals (themes) of the Corporate Plan, and outlines 30 catalyst project activities and 37 key initiative activities that are planned to be delivered in the 2021-2022 financial year.

The *Local Government Regulation 2012* requires the Chief Executive Officer to present a written assessment of Council's progress towards implementing the annual operational plan at meetings of Council, at least quarterly.

The Operational Plan Quarterly Performance Report includes a progress and status update for each activity for catalyst projects and key initiatives outlined in the Plan. The report provides commentary by exception on activity tasks that have a monitor or concern status. In addition, the report provides Key Activities and Highlights under each goal (theme) of the Corporate Plan and links to resources which provide further information and updates for the community.

City Leadership - Key Activities and Highlights

Investigate Council's capacity to deliver meaningful engagement.

Council continued to develop community engagement processes including the enhancement of strategic communication and engagement plans to support key projects.

Enhance Redlands Coast liveability, sustainability and attractiveness as a place for business through smart and connected city initiatives.

Work continued on the draft Smart and Connected City Strategy.

Investigate new and improved ways of engaging with the Redlands Coast community.

Council further developed and updated the community engagement YourSay software platform to improve layout, usability, accessibility and functionality to enhance the overall user experience.

Develop a strategic framework to guide Council's advocacy efforts with other governments.

The 2022 Federal Election Advocacy document was completed in the last quarter, providing a framework for ongoing advocacy to the Queensland State and the Australian Federal Government. Council also adopted motions for the 2022 Australian Local Government Association National General Assembly, which will form part of our ongoing advocacy framework and Federal Government asks.

Undertake research to support advocacy efforts for all islands to be recognised as a regional status.

The 2022 Federal Election has provided an opportunity to explore current Federal Government grants, the support that islands are eligible for, and existing gaps. This work will help further define our advocacy actions and design a targeted advocacy campaign.

Investigate new and improved ways of communicating with the Redlands Coast community.

Council further reviewed systems and processes to support planning and delivery of strategic and innovative communication services.

Quandamooka Country - Key Activities and Highlights

Implement and establish reconciliation action plans.

Council continued to implement actions in the Kanara Malara - One People 2019 - 2021 Internal Redland City Council Reconciliation Action Plan (the Plan). The Plan has 55 actions with 52 of these complete. Council has registered with Reconciliation Australia to develop an Innovative Reconciliation Action Plan. Council has started consultation with the Quandamooka People on North Stradbroke Island (Minjerribah) and will be reaching out to other stakeholders in the Redlands Coast community.

Engage key stakeholders for the preparation of the determination of Native Title on the Redlands Coast mainland.

The Indigenous Land Use Agreement for mainland claims is on hold due to court proceeding with land tenure discussions.

Develop a dual naming policy for Council.

Council is investigating how to work within the Queensland State Government's legislative requirements. Council has liaised with Melbourne City Council and Ipswich City Council to investigate other local government dual naming protocols and policies.

Support delivery of Indigenous Land Use Agreement (ILUA) commitments.

Council continued to manage the ILUA sub-committees and monitor progress of ILUA activities. The quarter two ILUA Report 2021-2022 was presented to Council's Executive Leadership Team in January 2022.

Promote Quandamooka culture and information to improve understanding of Native Title.

The Council publication 'Our Redlands Coast magazine', included Quandamooka culture stories such as Quandamooka Chef Kieron Anderson, bush banquets and captivating culture, Redlands Coast Australia Day Awards Reconciliation Award winners and Council's endorsed Reconciliation Action Plan – Kanara Malara – One People 2019-2021. Media promotion of Council funding opportunities included the Community Grants and Regional Arts Development Fund which provides support for Quandamooka cultural performances at sponsored events and activities. Where known, Jandai language place names were used in a variety of media communications, and acknowledgement of Quandamooka Traditional Owners was included in fortnightly print advertising and on Council's website.

Implement culturally appropriate protocols and promote traditional knowledge.

Council's cultural awareness training program won the category of Best Diversity and Inclusion Program in the Australian Institute of Training and Development Excellence Awards 2021. Council continued to run First Nations cultural training and information sessions within the organisation.

Natural Environment - Key Activities and Highlights

Implement the Wildlife Connections Action Plan 2018-2023.

Council continues to utilise the priority area maps and Wildlife Connections Plan 2018-2028 corridors for strategic planning in delivering Council's environmental operational works and extension services. It has enabled alignment of programs to manage, enhance and protect the identified priority areas, core habitat and corridors. The priority area maps and Wildlife Connections Plan 2018-2028 corridors are utilised for assessment of land for environmental acquisition.

Council delivered and attended education workshops on topics including bushfire ecology, biosecurity and flying-foxes. 6,505 native plants were planted within or adjacent to identified priority areas and/or corridors, which included management actions for weed species and erosion control across Redlands Coast. Council continues to restore habitat within and adjacent to identified priority areas and/or corridors as part of operational works.

Deliver the Redlands Coast Biosecurity Plan 2018-2021.

Council continued to manage biosecurity matter (pest animals and weeds) within Council-managed land areas and assisted registered landholders within an Environmental Partnership Program. Council continues to operate the Biosecurity Surveillance Program, identifying restricted and prohibited matter and undertaking compliance as required. Council officers inspected 1,875 properties for biosecurity matters with 50 advisory notices handed out and one plant seizure. 123 customer requests were responded to in regards to compliance matters for pest and stray animals. Council officers improved skills and knowledge through attending and facilitating biosecurity working groups and workshops, including cane toad busting and biosecurity working groups. Council provided education directly to the Redlands Coast community through face-to-face, events and various social media posts on biosecurity matters.

Implement Council's fire management program.

Fire risk management activities have included proactive vegetation management, post burn weed management, whole block weed reduction and community engagement events.

Implement the Koala Conservation Strategy 2016 and review the Koala Conservation Action Plan 2016-2021.

Council adopted the Koala Conservation Plan and Action Plan 2022-2027 on 15 December 2021 and is implementing these actions. Council facilitated and delivered the Community Science in Action Koala Forum on 23 March 2022 with presentations summarising research findings from Council's work over the life of the Koala Action Plan 2016-2021. Council continued to assist implementation of the South East Queensland Koala Conservation Implementation Plan with the Department of Environment and Science and in liaison with other relevant local councils, via the Queensland State-led Local Government Working Group. Promotion of the ambassador koalas in Ormiston, Birkdale, Thornlands and selected properties in Mount Cotton continued. Regular monitoring reports were provided to the Redlands Coast community via social media through the University of Sunshine Coast Koala Tracking Program. Council continued to promote collaborative opportunities with Queensland Rail and Transport Main Roads with regards to better outcomes for safer koala movement. The Commonwealth Scientific and Industrial Research Organisation (CSIRO) have developed the first version of a koala watch dashboard that visualises the data from koala watch, koala hospital records and community engagement programs.

Develop a local waste recycling and reduction plan to move towards a zero waste future.

Council adopted the Waste Reduction and Recycling Plan 2021-2030 on 16 March 2022.

Implement waterway catchment management programs.

Actions progressed include continued ambient water quality and reporting, liaison with partners on projects, and data sharing and advice. The Redlands Coast Bay and Creeks Plan 2021-2031 and the Redlands Coast Bay and Creeks Action Plan 2021-2026 was adopted by Council on 16 June 2021, and a communication education and awareness plan has been developed.

Provide education opportunities to the Redlands Coast community to support, enhance and encourage environmental understanding and grow environmental connections.

The Community and Environment Education Program Framework was developed, focusing on the Redlands Coast and drawing on Council's plans, strategies and policies. This will allow Council to offer a multi-channel delivery of programs focused on one key species, area or aspect of the natural environment.

Council supported the Redlands Coast Community Bushcare Program and Bushcare Seed Collection Group, and held community planting days and seed collection days. Groups have planted 491 native plants at various Bushcare sites to improve habitat values, including 13 koala food trees.

Council also supported services to private land owners and engage community members through Cane Toad Education Program Events and Fire Management Planning Events.

Thriving Economy - Key Activities and Highlights

Boost the Redlands Coast investment profile through targeted proactive strategy, marketing and focused implementation.

An interim investment strategy is driving activity, including delivering an investment-focused website, building a network of agencies to provide tailored support, providing trade and export focused events, and focusing on priority industries.

Progress the Capalaba Town Centre Revitalisation Project.

A range of investment opportunities are being explored to leverage from the enhanced positioning of Capalaba through the centre revitalisation, proximity to the Birkdale Community Precinct and associated Olympic legacy.

Progress the delivery of the Toondah Harbour PDA.

On behalf of Council, Redland Investment Corporation continued to work closely with Walker Group and Economic Development Queensland to progress the Toondah Harbour PDA redevelopment project. The draft Environmental Impact Statement is currently in the adequacy review state with the Department of Agriculture, Water and the Environment.

Implement plans to grow the Redlands Coast economy in key economic industry sectors.

The draft Manufacturing Industry Sector Plan has been further reviewed to consider current trends including the ongoing impact of COVID-19 and the availability of new economic data.

Manufacturing industry engagement through Business Brews occurred on 30 March 2022. Discussions with health care and social assistance and education stakeholders continued in order to explore opportunities to grow the sectors.

To further facilitate employment opportunities across industries, Council supported and participated in two Jobs Fair events, namely: the Department of Education, Skills and Employment sponsored Jobs Fair at Chandler and the Regional Jobs Committee facilitated Job Speed Recruitment at Victoria Point Sharks. Both events were well attended. A draft discussion paper exploring clustering opportunities and a phased approach in engaging with rural enterprise industries under the Rural Enterprise Industry Sector Plan is being developed.

Undertake planning for integrated aquatic and canoe/kayak slalom facilities.

The Olympic standard whitewater facility and related adventure, aquatic and canoe/kayak opportunities are being explored as an integral part of the Birkdale Master Plan process. Concurrently, Council has continued discussions with the Queensland State Government regarding the operational and overlay requirements for the upcoming Brisbane 2032 Olympic and Paralympic Games.

Deliver the Redlands Coast Destination Management Plan 2021-2026.

Council continued to progress the draft Destination Management Plan including the engagement of external consultant EarthCheck to review the Destination Management Plan to reflect opportunities that will arise from the Brisbane 2032 Olympic and Paralympic Games, conduct international research to strategically position Redlands Coast, and analyse tourism insights and travel trends in a post COVID-19 recovery period.

Commence a review of Council's Cleveland accommodation.

Ranbury Consultants are developing a business case for a new accommodation building. The first draft of the business case is anticipated to be reviewed by Council before the end of this financial year.

Progress the delivery of the Weinam Creek PDA.

The draft Master Plan for the Weinam Creek Priority Development Area was approved by Economic Development Queensland and Redland Investment Corporation which completed the detailed design for the first stage of the project.

Implement a centre management approach to enhance Redlands Coast key economic and lifestyle precincts.

Council has progressed the program plan for the Centres Management Program, including a Cleveland Place Plan Framework, with communication and engagement scheduled to commence in quarter four. Complementary initiatives have been developed including exploring small business support space, and rolling out the Village Events and Activation Grant.

Collaborate with industry and government to advance the Redlands Health and Wellness Precinct.

Principal stakeholders for the Redlands Health and Wellness Precinct have been engaged and work is progressing towards a Memorandum of Understanding that will establish the strategic alignment towards shared precinct goals.
