

News from our neighbourhood

What's happening in Division 9

Dear residents

With the dust starting to settle post election, I've been getting out and about meeting some of the great community groups that many of us are fortunate enough to have not needed in the past.

I've been absolutely blown away by the number of volunteers from within our community who go about their days quietly helping others.

I'd like to highlight the great work of Capalaba Meals on Wheels. I recently attended their AGM and learnt that these volunteers prepare and deliver around 400 meals a week to members of our community that are either aged or have a disability. If you're able to lend a hand during the week, please either contact them directly or give me a call. I'd love to introduce you to them.

With the *Redland Planning Scheme* being reviewed over the next two years, I am keen to improve development outcomes in Division 9. While I encourage the right development, the existing community should always be the first concern to any development approvals.

It is clear that many of us don't want over-development, as we've seen in suburbs like Coorparoo and Bulimba

and the ongoing problems that come with it. My job is to represent the community and encourage you to contact me if you have ideas or concerns for Division 9.

I am keen to assist with finding solutions to removing graffiti in known hot spots (example below). Please help me by calling Council on 3829 8999, email graffiti@redland.qld.gov.au or again, feel free to call me direct.

From my family to yours, have a very merry Christmas and a safe and wonderful New Year!
