

# Operational Plan 2022-2023 Performance Report

# Q2 FY 2022-2023

# **Operational Plan Performance Reporting**

The *Local Government Act 2009* requires Council to adopt an operational plan each year. The Operational Plan 2022-2023 (the Plan) is an important planning document which sets out how Council intends to implement the Corporate Plan 'Our Future Redlands – A Corporate Plan to 2026 and Beyond'.

The Plan is structured to reflect the seven goals (themes) of the Corporate Plan, and outlines 30 catalyst project activities and 37 key initiative activities that are planned to be delivered in the 2022-2023 financial year.

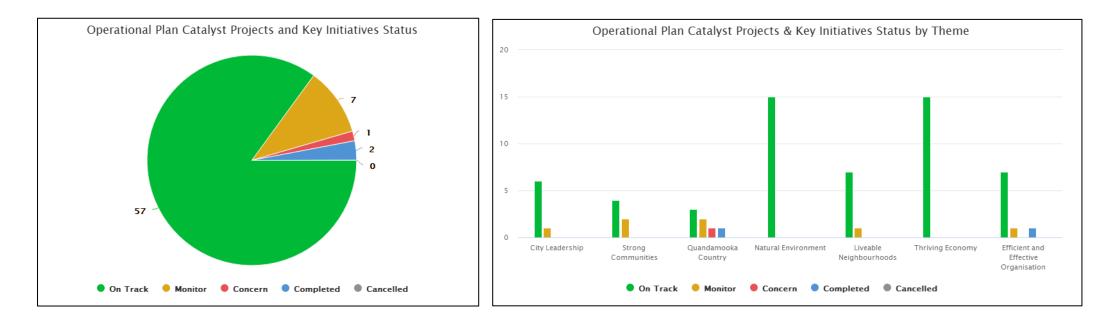

The *Local Government Regulation 2012* requires the Chief Executive Officer to present a written assessment of Council's progress towards implementing the annual operational plan at meetings of Council, at least quarterly.

The Operational Plan Quarterly Performance Report includes a progress and status update for each activity for catalyst projects and key initiatives outlined in the Plan. The report provides commentary by exception on activity tasks that have a monitor or concern status. In addition, the report provides Key Activities and Highlights under each goal (theme) of the Corporate Plan.

# **City Leadership – Activities and Tasks – Progress Year to Date**

**Catalyst Project CP1.1 South East Queensland City Deal -** Support agreement between the three levels of government to deliver investment in regionally transformative infrastructure which provides long term benefits for Redlands Coast.

Operational Plan 2022-2023 Activity			Progress	Commentary		
CP1.1.1 Represent Council's interests on the South East Queensland City Deal and			Economic	Economic Development and Investment		
advocate for long term infrastructure investment to realise social and economic						
benefits for Redlands Coast.						
a) Contribute through regional collaboration initiatives and	Q1		25%			
targeted advocacy, including participation in the Council of	Q2		50%			
Mayors (SEQ) 2032 Regional Legacy Working Group.						
b) Promote collaborative economic outcomes through	Q1		25%			
participation in local government working groups.	Q2		50%			

**Catalyst Project CP1.2 Smart and Connected City Strategy -** Implement the Smart and Connected City Strategy to deliver smart local and regional solutions that improve the liveability, productivity and sustainability of the city.

Operational Plan 2022-2023 Activity			Progress	Commentary	
CP1.2.1 Improve Redlands Coast's resilience through the delivery of smart			Economic Development and Investment		
initiatives that enhance the city's social, environmental and economic					
sustainability.					
a) Finalise and commence implementation of the Redlands Coast	Q1		25%		
Smart and Connected City Strategy to articulate and promote a	Q2		50%		
clear vision for the city's smart future.					
b) Develop strategic partnerships with industry, government,	Q1		25%		
academia and businesses to explore opportunities for innovation	Q2		50%		
that deliver social and economic benefits.					

**Catalyst Project CP1.3 Community Engagement -** Strengthen Council's internal capacity to undertake meaningful community engagement using a broad range of tools and deliver enhanced promotion of engagement activities.

Operational Plan 2022-2023 Activity		Progress	Commentary
CP1.3.1 Build on Council's capacity to deliver meaningful engage	gement.	Communi	cation, Engagement and Tourism
a) Develop community engagement resources including the	Q1	25%	
delivery of internal digital resource toolkits, templates and	Q2	50%	
training programs to build internal capacity and strengthen			
industry best practice engagement methods.			

**Key Initiative KI1.1 Key Initiative 1** - Improve ways of engaging with our community to encourage diverse participation in local decision making, and co-design of community outcomes.

Operational Plan 2022-2023 Activity			Progress	Commentary	
KI1.1.1 Deliver improved ways of engaging with the Redlands Coast community.			Communication, Engagement and Tourism		
a) Improve the Your Say community engagement platform to	Q1		25%		
deliver enhanced user experience and increase participation.	Q2		50%		

Key Initiative KI1.2 Key Initiative 2 - Improve communication with our community to increase awareness and transparency around Council operations.

Operational Plan 2022-2023 Activity			Progress	Commentary	
KI1.2.1 Deliver improved ways of communicating with the Redlands Coast			Communication, Engagement and Tourism		
community.					
a) Increase the use of digital media and video in Council	Q1		25%		
communications.	Q2		50%		

**Key Initiative KI1.3 Key Initiative 3** - Develop a strategic framework to guide Council's advocacy efforts with both the Commonwealth and State Governments for the betterment of Redlands Coast.

Operational Plan 2022-2023 Activity			Progress	Commentary
KI1.3.1 Develop a strategic framework to guide Council's advocacy efforts with			Advocacy,	Major Projects and Economic Development
the Queensland State and Australian Federal Governments.	the Queensland State and Australian Federal Governments.			
a) Develop an advocacy process with key internal stakeholders to	Q1		25%	
help identify priority advocacy requests.	Q2		60%	

Operational Plan 2022-2023 Activity			Progress	Commentary
b) Identify key projects and initiatives to include in Council's	Q1		25%	
advocacy plan using the prepared process and criteria.	Q2	•	40%	Priority advocacy themes and projects have been identified following engagement with Redland City Council officers and Council's elected members. These will be run through the advocacy process, policy and guideline once finalised.

Key Initiative KI1.4 Key Initiative 4 - Advocate for all islands to be recognised in a regional status to create greater funding opportunities.

Operational Plan 2022-2023 Activity			Progress	Commentary
KI1.4.1 Undertake research to support advocacy efforts for all islands to be recognised as a regional status.			Advocacy	, Major Projects and Economic Development
a) Engage key internal stakeholders to define the advocacy approach.	Q1		20%	Work has commenced on drafting an engagement strategy and project prospectus to engage with external stakeholders. Discussions with the Federal Government have indicated a potential change to Commonwealth regional funding eligibility in the near future, which would change the scope of this advocacy project. Correspondence has been sent to the Federal Government to clarify this change so the project can then recommence.
	Q2		40%	The scope of works has been developed and the internal advocacy group has been established. Internal engagement was on hold awaiting Federal Government feedback regarding regional funding, but has now been re-established.

b) Engage with potential advocacy partners to establish an island-specific advocacy group.	Q1	5%	Work has commenced on drafting an engagement strategy and project prospectus to engage with external stakeholders. Discussions with the Federal Government have indicated a potential change to Commonwealth regional funding eligibility in the near future, which would change the scope of this advocacy project. Correspondence has been sent to the Federal Government to clarify this change so the project can then recommence.
	Q2	30%	The draft engagement strategy and prospectus has been developed. The Federal Government has amended its criteria for regional funding. Correspondence has been sent to the Federal Government seeking clarity on these changes, Council is awaiting a reply. Council has also had ongoing engagement with the Local Government Association of Queensland (LGAQ) to seek clarity so that the project can recommence.

c) Undertake further needs assessment for our island communities including grant funding criteria and outcomes of infrastructure planning being undertaken by Council and the Queensland Government.	Q1		20%	Work has commenced on drafting an engagement strategy and project prospectus to engage with external stakeholders. Discussions with the Federal Government have indicated a potential change to Commonwealth regional funding eligibility in the near future, which would change the scope of this advocacy project. Correspondence has been sent to the Federal Government to clarify this change so the project can then recommence.
	Q2	•	30%	An initial needs assessment has been undertaken. The Federal Government has amended its criteria for regional funding. Correspondence has been sent to the Federal Government seeking clarity on these changes, Council is awaiting a reply. Council has also had ongoing engagement with the LGAQ to seek clarity so that the project can recommence.

# **City Leadership - Key Activities and Highlights**

## Develop a strategic framework to guide Council's advocacy efforts with the Queensland State and Australian Federal Governments.

Engagement with neighbouring local governments, Redland City Council officers and Council's elected members was undertaken during the last quarter and is being used to develop the advocacy framework. Associated documents, including an advocacy policy and process are currently being drafted.

### Deliver improved ways of engaging with the Redlands Coast community.

Improvements to Council's YourSay community engagement platform continues to be implemented for each project to ensure consistency of design and layout, user navigation, search functionality and the promotion of major projects.

#### Undertake research to support advocacy efforts for all islands to be recognised as a regional status.

With the change in Federal Government, the Building Better Regions Fund has been retired and has been replaced with two new funds of which we await the State Government to announce if we have been eligible in applying for.

# Improve Redlands Coast's resilience through the delivery of smart initiatives that enhance the city's social, environmental and economic sustainability.

Internal consultation on the Smart and Connected City Strategy continued in quarter two.

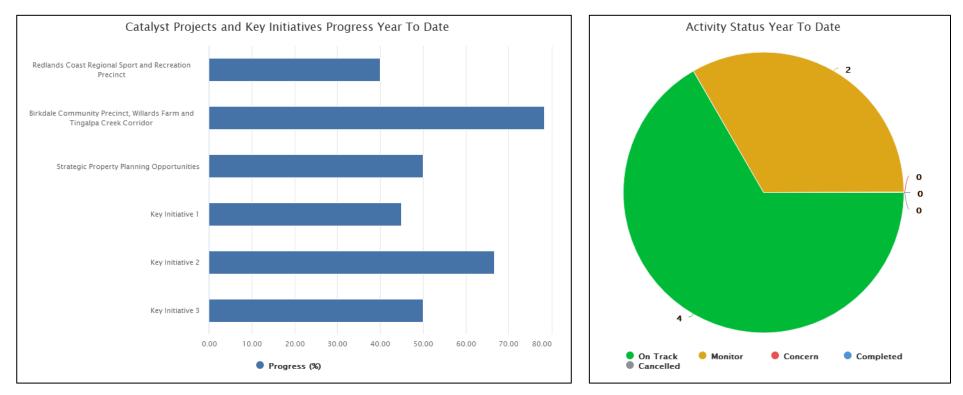

#### Deliver improved ways of communicating with the Redlands Coast community.

The Redlands Coast newsletter was launched on 13 October 2022 with an initial database of more than 4,000 recipients, which by December had grown by 50 subscribers. The newsletter and associated podcast was promoted, with good results across Council's Facebook, Twitter, LinkedIn and Instagram. Strong growth has continued across social media platforms, with a combined increase of 966 people – 496 of them on Facebook and 417 on LinkedIn.

#### Build on Council's capacity to deliver meaningful engagement.

Work commenced on developing a new Community Engagement Framework to support Council in delivering modern, innovative and best practice community engagement processes. Discussions have commenced with neighbouring local governments to benchmark community engagement practices, resourcing, initiatives and programs, to assist and identify opportunities for improvement and refinement.

# **Strong Communities - Catalyst Projects and Key Initiatives – Progress Year to Date**

For details on Strong Communities Key Initiatives 1-3 refer pages 16 to 17 of this attachment.

# **Strong Communities – Activities and Tasks – Progress Year to Date**

**Catalyst Project CP2.1 Redlands Coast Regional Sport and Recreation Precinct -** Progress Council's staged master-plan including sporting fields, club buildings, car parking, cycling tracks, recreation trails and spaces to play and explore.

Operational Plan 2022-2023 Activity				Commentary	
CP2.1.1 Plan for effective sport and recreation at Heinemann Road, Mount Cotton.			City Assets		
a) Finalise approvals and detailed design documentation to	Q1		25%		
enable procurement of Stage 1 deliverables.	Q2		50%		
b) Continue to implement strategies to optimise existing facilities, plan for the transformation of identified sites, and secure additional land to meet the current and future sport and recreation needs of the Redlands Coast community.	Q1	•	15%	Council continued to work on a functional layout at Pinklands Sporting Complex to guide future planning and budget requests for the conversion of grass courts into hard courts. This is part of the optimisation of existing facilities. Strategic sport optimisation actions have been identified and prioritised into future 10-year CAPEX asset management planning.	
	Q2		30%	Council completed a functional layout at Pinklands Sporting Complex to guide future planning and budget requests for the conversion of existing grass netball courts into Australian Netball compliant hard courts. Council also commenced procurement activities as part of the Charlie Buckler Sports Upgrade program. These are part of the optimisation of existing facilities. Strategic sport optimisation actions have been identified and prioritised into future 10- year CAPEX asset management planning.	

**Catalyst Project CP2.2 Birkdale Community Precinct, Willards Farm and Tingalpa Creek Corridor -** Create a shared vision for the end use of the land recognising the rich and diverse history of the site, building those values into creating an iconic landmark for the Redlands Coast.

# **Strong Communities - Key Activities and Highlights**

# Develop and deliver initiatives to recognise and celebrate our local heritage and diverse cultures through the arts and events that promote connectivity.

Council is progressing initiatives as planned and has made significant progress on the Library Services Strategic Plan 2023-2028.

### Plan for effective sport and recreation at Heinemann Road, Mount Cotton.

The Redlands Coast Regional Sport and Recreation Precinct Stage 1 construction contract was executed on 22 December 2022. Council is progressing the approvals process to allow for the commencement of Stage 1 construction. Stage 2 detailed design is currently being finalised.

#### Progress development of the Birkdale Community Precinct.

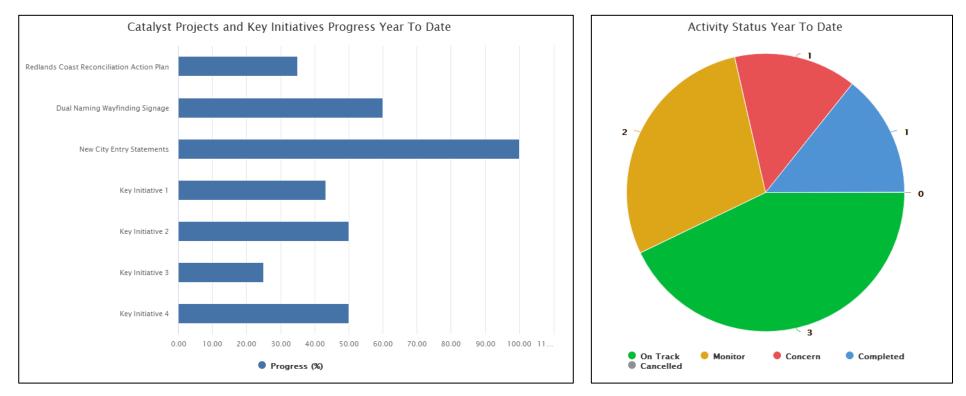

The Birkdale Community Precinct project is progressing, the final master plan expected to be presented to Council for adoption in early 2023.

#### Deliver initiatives that enhance community wellbeing, build capacity and strengthen the resilience of Redlands Coast communities.

Following a successful trial at sites in Cleveland and Birkdale, an ongoing program of temporary security camera deployments commenced in December 2022. The first two sites were William Stewart Park, Thornlands and the ferry terminal car park on Macleay Island. The Macleay Island deployment is of particular note because this provides a level of service to our residential islands that has not been delivered prior. A rigorous evidence based assessment framework is in place to assess requests, in consultation with Queensland Police Service, to prioritise resources.

Redlands Coast Young Legends Awards were held in November 2022, celebrating the outstanding contributions of our young people to the community. Finalists from eight award categories attended the awards held at Redlands Performing Art Centre, with four new awards added, including the Junior Legend of the Year award, Young Carer, Young Innovator and Young Creative.

# **Quandamooka Country - Catalyst Projects and Key Initiatives – Progress Year to Date**

**Key Initiative KI3.3 Key Initiative 3 -** Work with the Quandamooka People to promote respect and understanding of Quandamooka culture and Native Title within the Redlands Coast community.

Operational Plan 2022-2023 Activity			Progress	Commentary
KI3.3.1 Engage key stakeholders for the preparation of the determination of Native Title on the Redlands Coast mainland.			Corporate Governance	
a) Progress Council's response to the Native Title claim and interests in accordance with the Federal Court Rules and Model Litigant Principles.	Q1		20%	Mediation in relation to the Native Title claim, is still progressing in the Federal Court of Australia. Council continued to respond to the Native Title Claim by providing submissions to the Queensland State Government, Native Title Claim applicants and through Councils non- claimant applications.
	Q2	•	35%	Council is continuing to respond to the Native Title Claim by providing submissions to the State Government, the Native Title Claim applicants and through Councils non- claimant applications.

b) Identify Council's Works and Public Interests and associated	Q1		40%	
community use and tenures within Native Title Claim areas.	Q2		40%	Substantial research has been undertaken to identify all historical Council works, land uses and associated tenures within the Native Title Claim area. A detailed public works analysis has been provided to the State Government and the applicant in relation to those parcels in which the State Government and the applicant agree that native title exists, but which Council asserts is subject to a previous exclusive possession act. Council is currently awaiting the State Government and the applicant to respond. Further research continues to be undertaken in relation to areas outside of a lot and plan such as foreshores, creeks and canals where Council has undertaken works.
c) Propose an ILUA with Traditional Owners to support their traditional lands and help to ensure the future prosperity and cultural enrichment of the community.	Q1		0%	An ILUA has not been discussed at this stage as the determination of the Native Title Claim has not been finalised in the Federal Court of Australia.
	Q2	•	0%	This task is currently on hold due to administrative matters with the existing ILUA.

**Key Initiative KI3.4 Key Initiative 4** - Work collaboratively with the Quandamooka People to help achieve a positive future for North Stradbroke Island/Minjerribah post sandmining, including advocacy for local planning.

community purposes.				

# **Quandamooka Country - Key Activities and Highlights**

## Support delivery of Indigenous Land Use Agreement (ILUA) commitments.

Council continues to progress meetings and continue communications with Quandamooka Yoolooburrabee Aboriginal Corporation (QYAC) to fulfil its obligations under the ILUA. Commitments of the ILUA are monitored and reported quarterly to Council's Executive Leadership Team.

#### Develop a dual naming policy for Council.

The Dual Naming Policy and Guideline were developed during the reporting period. All documents are now finalised for asset owner/custodian comment and feedback.

#### Strengthen the local North Stradbroke Island (Minjerribah) economy.

Council delivered business development initiatives and support on Minjerribah and are partnering with community organisations, State and Commonwealth Government agencies.

#### Establish new reconciliation action plans.

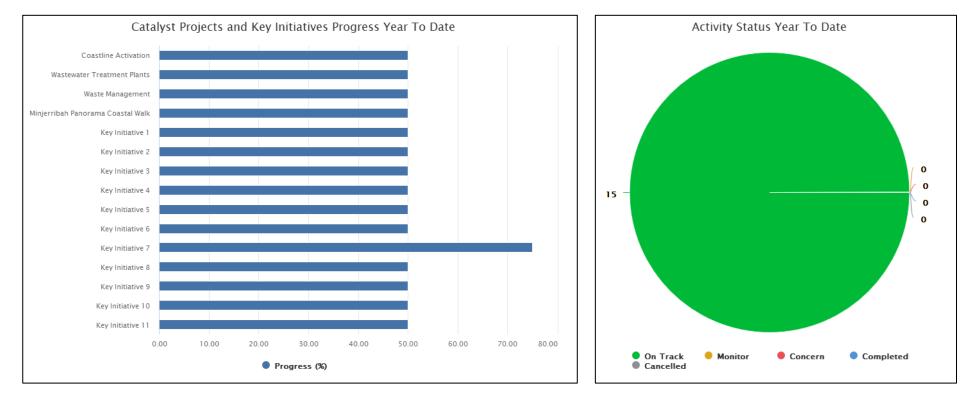

Council has registered with Reconciliation Australia to develop an Innovate Reconciliation Action Plan (RAP). Invitations were sent out in November 2022 to key stakeholders in the Redlands Coast community and acceptances have been received. An inaugural External RAP Working Group meeting is being scheduled.

#### Engage key stakeholders for the preparation of the determination of Native Title on the Redlands Coast mainland.

Both the Quandamooka Claim and Five Rivers Claim remain before the Federal Court of Australia. The Five Rivers Claim is yet to move forward to an evidentiary stage, but the Quandamooka Claim is in the evidentiary stage. Council is actively making submissions to both the State Government and the Native Title applicants about the extinguishment of Native Title having regard to established previous exclusive possession act criteria. This stage will likely take some time to be completed and will involve mediation in an attempt to avoid a hearing before a Federal Court judge.

### Implement culturally appropriate protocols and promote traditional knowledge.

Council is continuing to provide Minjerribah Moorgumpin Aboriginal Elders in Council training, Quandamooka Days and internal Indigenous information sessions as required. Each year Council celebrates Reconciliation Week and NAIDOC Week. In preparation for each event, Council is currently formulating a plan to involve meetings, calendar bookings, and theme events for National Reconciliation Week being held 27 May to 3 June 2023, and NAIDOC Week celebrated July 2023.

# Natural Environment - Catalyst Projects and Key Initiatives - Progress Year to Date

For details on Natural Environment Key Initiatives 1-11 refer pages 29 to 34 of this attachment.

# **Natural Environment – Activities and Tasks – Progress Year to Date**

**Catalyst Project CP4.1 Coastline Activation -** Finalise a strategy to activate the Redlands coastline, including Cleveland Point land access improvements and other landside improvements across the city, to encourage appreciation, recreation and utilisation of our unique natural bay and creek waterfront spaces and places.

Operational Plan 2022-2023 Activity			Progress	Commentary	
CP4.1.1 Commence development of a strategy to activate the Redlands Coast			Environment and Regulation		
coastline.					
a) Finalise the scope of the strategy to activate the Redlands	Q1		25%		
Coast coastline.	Q2		50%		

**Catalyst Project CP4.2 Wastewater Treatment Plants -** Develop a strategy to review opportunities associated with Council's wastewater treatment plants including new forms of energy.

Operational Plan 2022-2023 Activity			Progress	Commentary	
CP4.2.1 Implement the Adaptive Planning Strategy Wastewater Treatment for			City Assets		
wastewater treatment plants.					
a) Review release to environment and licence requirements in	Q1		25%		
accordance with the Adaptive Planning Strategy and ongoing	Q2		50%		
planning studies.					
b) Refine the Strategy as upgrade plans are progressed at	Q1		25%		
treatment plants.	Q2		50%		

**Catalyst Project CP4.3 Waste Management -** Participate in the development of a regional waste plan, and develop a local Waste Recycling and Reduction Plan to move towards a zero waste future.

Operational Plan 2022-2023 Activity			Progress	Commentary	
CP4.3.1 Participate in the implementation of the SEQ Waste Management Plan and			City Assets		
implement the Waste Reduction and Recycling Plan 2021-2030.					
a) Continue to participate in the Council of Mayors (SEQ) Waste	Q1		25%		
Working Group to develop a roadmap and implementation plan.	Q2		50%		
b) Implement agreed actions in Council's Plan to move towards a	Q1		25%		
zero waste future.	Q2		50%		

**Catalyst Project CP4.4 Minjerribah Panorama Coastal Walk -** Progress next stages of this unique connection to enhance visitors' experiences, by harnessing key views and completing a safe pedestrian link between Point Lookout Village and Cylinder Beach.

Operational Plan 2022-2023 Activity			Progress	Commentary
CP4.4.1 Deliver the Minjerribah Panorama Coastal Walk Project on North			City Assets	
Stradbroke Island (Minjerribah).			-	
a) Continue to deliver stages of Minjerribah Panorama Coastal	Q1		25%	
Walk works.	Q2		50%	

**Key Initiative KI4.1 Key Initiative 1** - Continue to target rehabilitation, regeneration and habitat management works in key priority areas, based on strategic mapping and research through the delivery of the Redlands Wildlife Connections Action Plan.

Operational Plan 2022-2023 Activity			Progress	Commentary
KI4.1.1 Continue to implement the Wildlife Connections Action Plan 2018-2023			Environme	ent and Regulation
and undertake a review of the delivery of the Plan.				
a) Improve corridor habitat by identifying strategic areas for	Q1		25%	
planting native species, threat management and extension	Q2		50%	
programs in identified priority areas.				
b) Deliver the Redlands Coast Flying-Fox Plan.	Q1		25%	
	Q2		50%	
c) Reduce impacts on corridors by enhancing habitat on freehold	Q1		25%	
land, supporting landholders in creating buffers of native	Q2		50%	
vegetation and reviewing conservation land acquisition priorities.	-			

**Key Initiative KI4.2 Key Initiative 2** - Deliver Council's Koala Conservation Strategy and review and update the Koala Conservation Action Plan to commit to proactively preserve our koala population.

Operational Plan 2022-2023 Activity	Operational Plan 2022-2023 Activity			Commentary
KI4.2.1 Implement the Koala Conservation Strategy 2016 and review the Redlands		Environme	ent and Regulation	
Coast Koala Conservation Action Plan 2022–2027.				
a) Continue to collaborate with research bodies, government	Q1		25%	
agencies and the Redlands Coast community to develop a robust	Q2		50%	
understanding of koala population, health, ecology and				
movement to inform and strengthen koala conservation planning.				
b) Continue to support the creation of a connected, high quality	Q1		25%	
network of koala habitats capable of supporting a long term,	Q2		50%	
viable and sustainable population of koalas.				
c) Manage the impacts of threatening processes on koala	Q1		25%	
populations by undertaking on-ground works that reduce koala	Q2		50%	
mortality.				
d) Increase understanding, connection to and participation in	Q1		25%	
koala conservation actions and behaviours with the Redlands	Q2		50%	
Coast community.	-			

Key Initiative KI4.3 Key Initiative 3 - Partner with the community to manage fire risk through Council's fire management program.

catchment management and improved water quality.	Q2		50%	
c) Monitor catchment and recreation water quality.	Q1		25%	
	Q2		50%	
d) Respond to and investigate customer service requests for	Q1		25%	
erosion and sediment control matters.	Q2		50%	
e) Monitor compliance with development approvals for sediment	Q1		25%	
and erosion control matters.	Q2		50%	

**Key Initiative KI4.11 Key Initiative 11 -** Partner with industry leaders to investigate alternative sources of energy that provide environmental, community and economic benefits.

Operational Plan 2022-2023 Activity			Progress	Commentary
KI4.11.1 Support opportunities to advance alternative sources of energy in			Economic Development and Investment	
Redlands Coast.				
a) Continue to work with universities and other research	Q1		25%	
institutions to explore clean energy research opportunities	Q2		50%	
including hydrogen for the city.				
b) Cultivate relationships with industry peak bodies and	Q1		25%	
organisations that focus on alternative sources of energy to	Q2		50%	
identify potential opportunities for the city.				
c) Promote programs for the business and industry sector that	Q1		25%	
encourage the uptake of alternative sources of energy to secure	Q2		50%	
economic, environmental and social opportunities for Redlands				
Coast.				

# **Natural Environment - Key Activities and Highlights**

## Implement waterway catchment management programs.

Dry period water ambient water quality monitoring took place across nine sites on the Redlands Coast mainland and Southern Moreton Bay Islands. Resilient Rivers Initiative stakeholders held meetings to discuss the development of a SEQ Catchment Management Plan to attract investment. Council participated in data release workshops for the delivery of the Healthy Land and Water Ecosystem Health Monitoring Annual Report Card.

### Deliver the Redlands Coast Biosecurity Plan 2018-2023.

1,144 biosecurity surveillance inspections were carried out over the quarter. 39 General Biosecurity Orders were issued, one submission was made to the Herbarium (the centre for research and information on Queensland ecosystems, plants and fungi) with one seizure of restricted and prohibited matter. 53 property managers were contacted in relation to Kudzu vine eradication. Mapping has commenced across five target properties of significance in the City to inform development of biosecurity management plans. Council attended a Yellow Crazy Ant workshop and the Annual Pest Distribution Survey with other local governments and Biosecurity Queensland.

### Continue to implement the Sub Regional Material Recovery Facility Procurement Process.

The tendering process for the Sub Regional Material Recovery Facility Procurement Project has continued. Updates to the steering committee have been provided and a business case prepared for future funding, pending finalisation of the procurement process.

# Participate in the implementation of the SEQ Waste Management Plan and implement the Waste Reduction and Recycling Plan 2021-2030.

Council participated in South East Queensland Council of Mayors Waste Working Groups and continued to develop the implementation plan.

### Implement the Coastal Hazards Adaptation Strategy across Redlands Coast.

Implementation of the Coastal Hazard Adaptation Strategy continues. The coastal monitoring program is on track, beach and water quality monitoring are being delivered, the tide gauges have undergone routine maintenance and are awaiting reinstallation. Living shorelines designs and documentation required for permitting and approvals is on track for completion as planned; this documentation will form the basis of the community awareness materials.

## Deliver the Minjerribah Panorama Coastal Walk Project on North Stradbroke Island (Minjerribah).

The Minjerribah Panorama Coastal Walk Project is under construction and remains on track for completion as planned.

# Implement the Koala Conservation Strategy 2016 and review the Redlands Coast Koala Conservation Action Plan 2022–2027.

Council is working with Department of Transport and Main Roads to incorporate 20 years of their historical City-wide data into our conservation program. Project work continues with Queensland Rail and Griffith University on investigating the risk and barriers to koala movement around rail corridors. Passive koala signs and painted thresholds were installed in Koala Safe Neighbourhoods (Birkdale and Thornlands). Dr Cathryn Dexter spoke at the 'Change 2022' Conference at University of Queensland about Koala Conservation. DogFest was held at the Capalaba Regional Park on 6 November 2022 as part of Griffith University's social marketing koala conservation program 'Leave It', which focuses on educating dog owners. 1,800 people attended with their dogs.

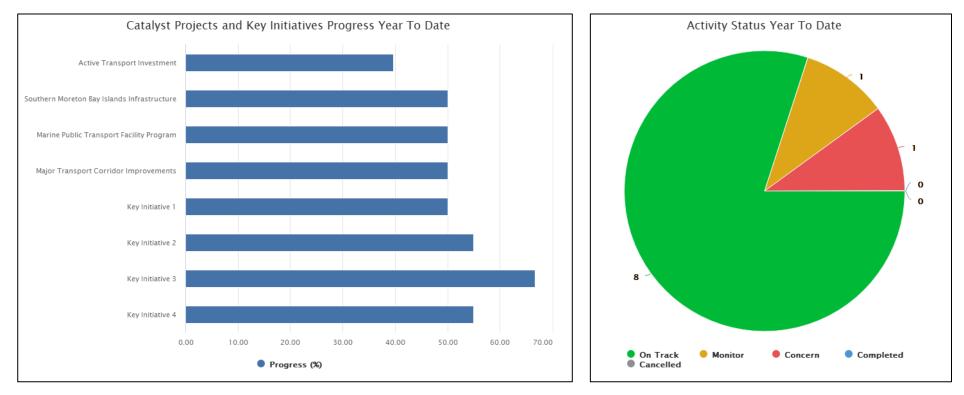

### Implement Council's fire management program.

Fire risk management activities on Redlands Coast have included proactive vegetation management, post burn weed management, whole block weed reduction and community engagement events.

## Continue to implement the Wildlife Connections Action Plan 2018-2023 and undertake a review of the delivery of the Plan.

Council has identified and mapped priority areas. A supplier has been engaged to commence work on a Flying-Fox conflict and mitigation, and resident assistance package for the Lotus Close Wetland. Environmental Partnerships continue to target properties identified as priority areas in the Wildlife Connections Action Plan. Council is investigating a model for selecting optimal conservation land to inform acquisition priorities.

# Liveable Neighbourhoods - Key Activities and Highlights

#### Commence planning for walking and cycle networks in Redlands Coast.

Council was advised in July 2022 that the grant application seeking funding for Moreton Bay Cycleway-Ormiston Link Options Analysis under the Cycle Network Local Government Grants Program (CNLGGP) was unsuccessful and therefore cannot be delivered this financial year. Council has submitted a refreshed grant application under the CNLGGP seeking funding for the 2023-2024 financial year.

#### Deliver Southern Moreton Bay Islands (SMBI) jetty upgrades in partnership with the Queensland Government.

The Southern Moreton Bay Islands (SMBI) jetty upgrade project remains on track for completion in 2022-2023 financial year.

# Engage the Redlands Coast community to co-design the liveability of its neighbourhoods through planning, placemaking and the management of community assets.

Correspondence has been received from the Deputy Premier, Minister for State Development, Infrastructure, Local Government and Planning and Minister Assisting the Premier on Olympic and Paralympic Games Infrastructure advising that Council may proceed to publicly consult on 01/21 Major Amendment – Environmental Significance overlay subject to conditions.

## Deliver the Wellington Street and Panorama Drive Upgrade Program Stage 1 in partnership with the Federal Government.

A contract between the Principal Contractor and Council has been signed and prestart meetings have been scheduled.

#### Define the scope and identify resourcing required for Southern Moreton Bay Islands (SMBI) Infrastructure.

Procurement is complete and the contract awarded. Consultancy work has commenced and is on track for completion by end of 2022-2023 financial year.

#### Build strategic partnerships to maximise potential investment in city centres.

Council engaged with internal and external stakeholders to coordinate capital works activity in city centres to support continued activation and encourage investment.

#### **Deliver the Redlands Coast Transport Strategy 2041.**

The approach for detailed design of the Northern Greenway was progressed.

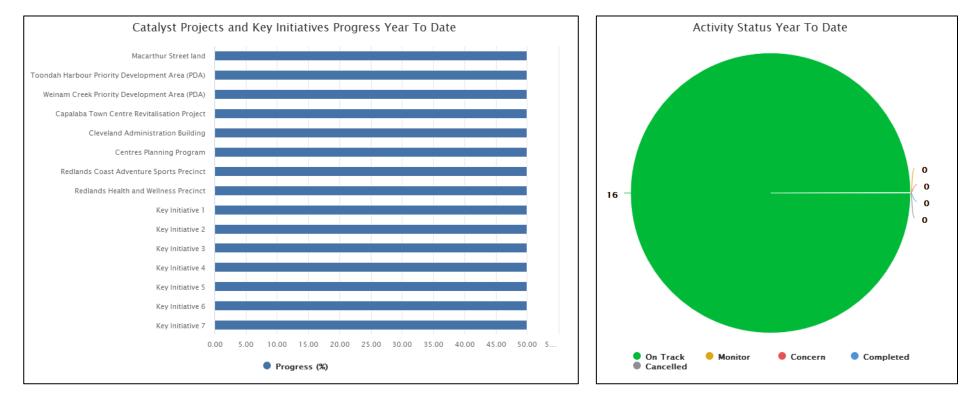

#### Develop a strategy, network plan and commence planning of cycle and pedestrian paths in Redlands Coast.

Significant progress has been made with advancing the Redlands Coast Active Transport Strategy and Network Plan. Design and construction works continue on a number of footpath links across the city as part of Council capital works program.

## Continue to work with the State and Federal Governments to progress the City Deal.

A change in Federal Government has delayed the progress of the City Deal. The new Federal Government are to announce details of the implementation plan.

# **Thriving Economy - Key Activities and Highlights**

### **Redland Investment Corporation (RIC) to progress the Capalaba Town Centre Revitalisation Project.**

The development agreement has been signed and is on track for initial delivery.

#### Collaborate with industry and government stakeholders to advance the Redlands Health and Wellness Precinct.

Research continued to identify opportunities for attracting investment and expanding the Redlands Coast Healthcare Sector Industry.

#### Implement a centre management program in Cleveland and other centres.

Council supported successful applicants to deliver Village Events & Activation Grant projects by 31 December 2022 and continued to engage with stakeholders to coordinate delivery of infrastructure and capital works in city centres.

#### Redland Investment Corporation (RIC) to progress the delivery of the Weinam Creek PDA.

Construction of the Hamilton Street extension Stage 3a has commenced. The finalisation of the land swap agreement has progressed, and the Redlands Sea Dragons relocation is continuing.

#### Implement Redlands Coast industry sector plans to support new and existing businesses in key industry sectors.

The Manufacturing Industry Sector Plan has undergone further refinements based on feedback and the draft has now been finalised. A final review is being undertaken prior to commencing a validation exercise with businesses. To support initiatives under the Education and Training Industry Sector Plan, engagement with education stakeholders including participation in the Redlands Young Futures Advisory Group and Brisbane South East Local Jobs and Skills Taskforce meetings continued. Further discussion with tertiary institutions have taken place to explore higher education opportunities. Research on the health care and social assistance sector to inform an investment attraction approach continued.

### Continue the review of Council's Cleveland accommodation.

Investigations around potential options of Council's Cleveland accommodation are progressing.

#### Investigate and promote opportunities in the circular economy.

Council has drafted an initial circular economy roadmap and commenced the investigation on the City's circular economy ecosystem.

## Undertake planning and advocacy for the Redlands Coast 2032 Legacy.

The Redlands Coast 2032 Legacy Working Group came together at a meet and greet in early November 2022 with the first formal meeting of the group to be held in 2023.

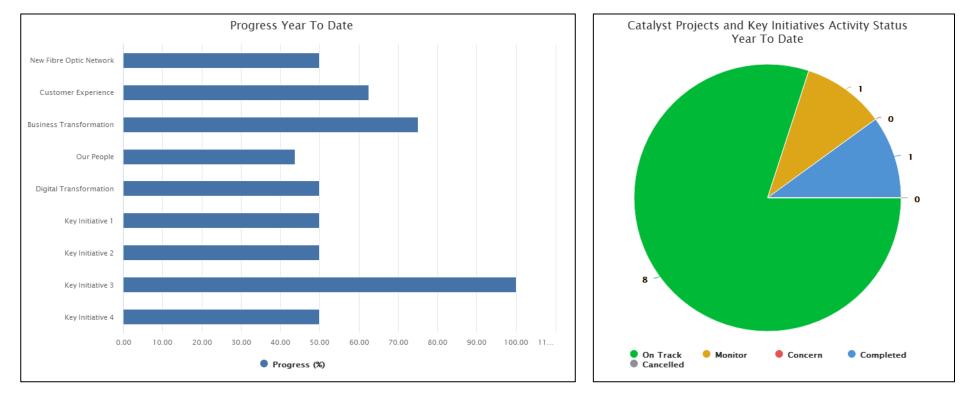

## Boost Redlands Coast investment profile through targeted proactive strategy, marketing and focused implementation.

Council partnered with the Export Council of Australia to deliver a workshop for Redlands Coast businesses on international marketing, protecting intellectual property, trade finance, and logistics. Council also continued to promote Redlands Coast to attract opportunities in the City.

## Redland Investment Corporation (RIC) to progress the delivery of the Toondah Harbour PDA.

The Environmental Impact Statement public comment period has concluded. Council's development partner, Walker Group are preparing a report for the Federal Government.

from Council's procurement practices.	Q2		50%	

# **Efficient and Effective Organisation - Key Activities and Highlights**

## Continue to progress the Redlands Coast Fibre Optic Network.

The proposed commercial arrangements have had an internal legal review by Council.

#### Embed Council's organisational values.

Council celebrated our organisational values through the re-introduction of the recognition wall in the ForU platform. This allows for social media style recognition where employees can like or comment the recognition posted.

#### Advance Council's strategic procurement and contracting model.

Council continues to make progress in implementing best practice strategic procurement processes with the utilisation of Council's new contract management system. Quarter two continued to see a solid spend with local suppliers in the Redland City local government area.

#### Continue to promote Council as a career choice and enhance employee experience.

Council enhanced the tangible Employee Value Proposition through the introduction of micro qualifications and ForU Council's discount program for employees.
