Head of Power

The *Fraud and Corruption Control Best Practice Guide* issued by the Crime and Corruption Commission in March 2018 and Australian Standard AS 8001-2008 *Fraud and Corruption Control* both recommend that an agency must have a fraud and corruption control policy that outlines the agency's position on fraud and corruption.

The Fraud and Corruption Prevention Policy forms part of Council's overall approach to transparent corporate governance and should be read in conjunction with the Fraud and Corruption Prevention Framework, Enterprise Risk Management Policy, Public Interest Disclosure Policy, Employee Code of Conduct and the Complaints Management Process Policy.

Policy Objective

To inform all employees of Council's position on fraud and corruption and the consequences of failing to comply with the provisions of the Policy.

This Policy applies to all officers, employees, elected representatives, consultants and contractors engaged by Council regardless of whether they are permanent, temporary, full-time, part-time or casual employees.

Policy Statement
