Vet Name and Phone Number

Animal is Microchipped Provide number below

Pensioner Concession - 50% concession applies if receiving Age, DSP, DVA or maximum benefit for other Centrelink Pensions.

Pension Type: (e.g. AGE, DSP, DVA, PPS etc)

Pension number

I, *(print name)*

authorise

- the Redland City Council to use Centrelink Confirmation eServices to perform a Centrelink/DVA enquiry of my Centrelink or Department of Veterans' Affairs Customer details and concession card status in order to enable the business to determine if I qualify for a concession, rebate or service.

- the Australian Government Department of Human Services (the department) to provide the results of that enquiry to Redland City Council. I understand that:

- the department will use information I have provided to the Redland City Council to confirm my eligibility for the concession and will disclose to the Redland City Council personal information including my name, address, payment and concession card type and status.

- this consent, once signed, remains valid while I am a customer of Redland City Council unless I withdraw it by contacting the Redland City Council or the department.

- I can obtain proof of my circumstances/details from the department and provide it to Redland City Council so that my eligibility for the concession can be determined.

- if I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the concession provided by Redland City Council.

Information Privacy Act 2009 – Redland City Council is collecting your personal information in accordance with *Animal Management (Cats & Dogs) Act 2008* in order to register your animal. The information will only be used by authorised Council officers for the purpose of Animal Management and ensuring our records are accurate. Some of this information may be given to Centrelink for the purpose of obtaining pension information, as required by Redland City Council. Your information will not be given to any other person or agency unless you have given us permission or we are required by law to do so.

Animal Microchipping

Queensland legislation requires all dogs and cats born after 1 July 2009 to be microchipped by three (3) months of age.

All dogs and cats given away or sold must be microchipped at point of sale or transfer to a new owner.

If you have purchased or been given a dog or cat, it is your responsibility to ensure it is microchipped.

Council provides a microchipping service for dogs and cats for \$41.25 per animal. Contact the Animal Shelter on (07) 3829 8663 to make an appointment.

Wandering Cats

Cats are popular pets in the Redlands. We wish to encourage responsible pet ownership, effectively manage cats and enhance community safety. To protect our local wildlife, cats are to be confined to the property at all times and inside the house or enclosure.

Properties Where Animals Not Permitted

Some areas of the Redlands have a lot of natural wildlife and keeping of domestic animals can have an effect on wildlife populations. The only area in the Redlands where cats are not permitted to be kept by residents is Ridgewood Downs in Mount Cotton.

If you live in a unit, townhouse, caravan park or aged care facility you should seek approval from the body corporate or management before obtaining an animal.

Barking Dogs

Sometimes, a neighbourhood dispute over a dog's excessive barking can be settled by speaking to its owner.

The dog's barking may be occurring when its owners are absent, so they may be unaware of the problem.

If approaching your neighbour and explaining the problem doesn't lead to a solution, there are other courses of action you can take.

If the problem persists, lodge a complaint with Council and a letter will be sent to the owner.

Council's Local Law 2 (*Animal Management*) allows Council to take action against an owner if an animal causes an unlawful environmental nuisance.

The noise emission criteria is defined as noise which exceeds six minutes in any hour from 7am to 10pm on any day; or the noise exceeds three (3) minutes in any thirty (30) minute period after 10pm or before 7am.

Off Leash Areas

There are thirty (30) dog off-leash areas in the Redlands. Most of the sites are clearly signed and fully fenced. Dog bag dispensers are provided in all areas, apart from North Stradbroke Island. These sites are a great place for dogs to run free but you need to have control over your dog at all times while using the off leash areas.

Dog owners caught letting their dogs play off-leash in non-designated off-leash areas will get an on-the-spot fine under Council's Local Law No. 2 (*Animal Management*).

Third Animal Permit

Council's Local Law 2 (*Animal Management*) restricts residents from owning more than two (2) dogs and two (2) cats per property. If you want to own a third dog or cat you will have to apply for a permit.

Lost and Found

Council runs an Animal Shelter for lost or stray animals within the city.

When an animal is impounded at the shelter, Council makes every effort to contact the registered owner to collect it. All cats and dogs over three (3) months old **must** be registered with Council. Ensuring your pet is microchipped and wearing its Council registration tag is the easiest way to ensure you and your pet are reunited as quickly as possible.

When collecting an animal from the shelter, release fees will be charged. If you have a lost pet, check Council's website for photos of impounded animals or contact Council on 07 3829 8999. Alternatively, if you have found a pet, please report it to Council immediately so that the animal has the best chance of being reunited with its owner.

Redland City Council Animal Shelter
240 South Street, Thornlands

Opening hours:

Monday – Friday 8.30am to 4.30pm

Saturday – Sunday 9.00am to 12.00pm
