- the Redland City Council to use Centrelink Confirmation eServices to perform a Centrelink/DVA enquiry of my Centrelink or Department of Veterans' Affairs Customer details and concession card status in order to enable the business to determine if I qualify for a concession, rebate or service.
- the Australian Government Department of Human Services (the department) to provide the results of that enquiry to Redland City Council.
I understand that:
- the department will use information I have provided to the Redland City Council to confirm my eligibility for the concession and will disclose to the Redland City Council personal information including my name, address, payment and concession card type and status.
- this consent, once signed, remains valid while I am a customer of Redland City Council unless I withdraw it by contacting the Redland City Council or the department.
- I can obtain proof of my circumstances/details from the department and provide it to Redland City Council so that my eligibility for the concession can be determined.
- if I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the concession provided by Redland City Council.

## Wandering Cats

Cats are popular pets in the Redlands. We wish to encourage responsible pet ownership, effectively manage cats and enhance community safety. To protect our local wildlife, cats are to be confined to the property at all times and inside the house or enclosure.

## Barking Dogs

Sometimes, a neighbourhood dispute over a dog's excessive barking can be settled by speaking to its owner.
The dog's barking may be occurring when its owners are absent, so they may be unaware of the problem.
If approaching your neighbour and explaining the problem doesn't lead to a solution, there are other courses of action you can take.
If the problem persists, lodge a complaint with Council and a letter will be sent to the owner.
Council's Local Law 2 (Animal Management) allows Council to take action against an owner if an animal causes an unlawful environmental nuisance.
The noise emission criteria is defined as noise which exceeds six minutes in any hour from 7am to 10pm on any day; or the noise exceeds three (3) minutes in any thirty (30) minute period after 10pm or before 7 am .

## Lost and Found

Council runs an Animal Shelter for lost or stray animals within the city.
When an animal is impounded at the shelter, Council makes every effort to contact the registered owner to collect it. All cats and dogs over three (3) months old must be registered with Council. Ensuring your pet is microchipped and wearing its Council registration tag is the easiest way to ensure you and your pet are reunited as quickly as possible.
When collecting an animal from the shelter, release fees will be charged. If you have a lost pet, check Council's website for photos of impounded animals or contact Council on 07 3829 8999. Alternatively, if you have found a pet, please report it to Council immediately so that the animal has the best chance of being reunited with its owner.
