Enclosure Provisions

Enclosures must be 25m from any dwelling, other than the dwelling upon the premises on which the enclosure is to be constructed or 5m from an adjoining boundary.

Refer Local Law 2, Schedule 4 for proper enclosure requirements and Subordinate Local Law 1.5 Keeping of Animals for Schedule 1.

An inspection will be completed after receipt of the application.

Declaration

I declare that the information provided is true and correct, and I have read the information on the reverse.
