## **PART 7 – EMPLOYMENT RELATIONSHIP**

### **28. Full time**

- 28.1 Full time employees work an average of 38 hours per week.

### **29. Nine (9) Day Fortnight**

- 29.1 The full terms and conditions of the nine (9) day fortnight provisions are detailed in Appendix 2.

### **30. Transition to Retirement**

- 30.1 Transition to retirement arrangements may be available to those employees considering full time retirement from the workforce and who may consider a transition period to retirement. This is in recognition of the need to facilitate the transfer of corporate knowledge, skills and provide guidance and mentoring to other employees prior to retirement, for the mutual benefit of RCC and the employee.
- 30.2 Any such arrangements between RCC and the employee will be documented in writing confirming the agreed pattern of work required, which may include (as applicable):
- weeks to be worked over the period;
  - minimum ordinary hours per week;
  - days on which the work is to be performed including the daily starting and finishing times; and
  - a duty statement for the period.
- 30.3 These arrangements may be varied by mutual agreement between RCC and the employee and any agreed amendments are to be documented.
- 30.4 All leave entitlement balances accrued immediately prior to the approved *transition to retirement* arrangement will be maintained without reduction, except where the employee utilises approved leave. On commencement of the arrangement, all leave will accrue in accordance with the relevant hours of work clauses within the Employee's Agreement and/or relevant Award.

**31. Make-up Time**

- 31.1 Make-up time allows full and part time employees to take time off during ordinary hours and work those hours at a later time, during the spread of ordinary hours and at ordinary rates. On sporadic, special occasions, in emergency situations, with mutual agreement between the employee and their manager/supervisor, an employee may request, with the consent of their manager/supervisor, to work "make-up time", under which the employee takes time off ordinary hours, and works those hours at a later time, which is mutually convenient, during the span of hours for each relevant unit, at ordinary rates of pay.
- 31.2 This make-up time is agreed to operate in a manner that allows employees time for time to assist in their work/life balance.

**32. Breaks and Rest Pauses**

- 32.1 Breaks and rest pauses will be taken in accordance with the relevant Award.

**33. Probation Period**

- 33.1 On initial appointment to RCC, all positions shall serve an initial period of three (3) months probation period. During this period, any deficiencies in performance or conduct shall be dealt with in accordance with the agreed code of practice on disciplinary procedure.
- 33.2 Absence due to leave during the probation period may affect the manager/supervisor’s ability to make a decision about work performance due to insufficient evidence, and in these circumstances an extension of the probation period may be requested by RCC. The period to extend the probation period is limited to the total period of leave taken. Any extension is subject to the test of reasonableness, will not extend beyond an additional three (3) months and must be agreed by the relevant Executive Manager.
- 33.3 The extension of a probationary period beyond the initial three (3) months, based upon performance management issues, will only be enacted once a full, fair and frank assessment has been made by the manager/supervisor and agreed by the relevant Executive Manager.

**34. Termination of Employment**

- 34.1 An employee is to provide RCC a minimum two (2) weeks’ notice of termination of employment.
- 34.2 If an employee fails to give two (2) weeks’ notice of termination, RCC has the right to withhold monies in lieu of any un-worked notice period.
- 34.3 RCC is to provide an employee the follow notice of termination periods or payment in lieu of notice periods.

<b>Period of Continuous Service</b>	<b>Period of Notice</b>
Up to 3 years	2 weeks
More than 3 years but not more than 5 years	3 weeks
More than 5 years	4 weeks

- 34.4 If RCC terminates the employment, for those employees over forty-five (45) years of age at the time of the notice being given, who have not less than two (2) years continuous service, will be entitled to an additional one (1) weeks’ notice.

### **35. Absent Without Leave**

- 35.1 An employee who has been absent for a period of seven (7) working days without the consent of RCC and who does not, during such time, establish to the satisfaction of RCC, a reasonable cause for the absence shall be deemed to have abandoned their employment.
- 35.2 Before an employee is terminated on the basis of abandonment of employment, RCC will make a reasonable effort to contact the employee.
- 35.3 Any termination of employment on the basis of abandonment shall be effective as from the date of the last attendance at work or the last day's absence in respect of which consent was granted.

### **36. Workplace Health and Safety**

- 36.1 RCC is committed to safety in the way we conduct our business.
- 36.2 RCC will continue to promote and involve employees in developing safe, healthy and fair workplaces.
- 36.3 RCC is committed to understanding all contributing factors that impede or assist the achievement of safety, allocating resources to address these issues and improving key business processes.
- 36.4 RCC will continue to reduce the number and severity of workplace injuries by embedding the Workplace Health and Safety (WH&S) Framework, which will encourage an attitude of 'safety' and safe working behaviours at all levels.
- 36.5 RCC managers/supervisors and employees will:
  - undertake hazard identification and risk assessment;
  - implement and review control processes;
  - investigate all work-caused incidents (including near misses), record and report all investigations and action/s taken;
  - allocate resources, improve work processes, provide and participate in relevant WH&S training.
  - ensure that all Personal Protective Equipment (PPE) is worn at all times.
- 36.6 RCC is committed to encouraging and promoting an active and healthy workforce.

### **37. Learning and Career Development**

- 37.1 RCC is committed to lifelong learning at both an organisational and individual level.
- 37.2 To meet the changing needs of RCC and the community, RCC agree to:
  - monitor, review and update approaches to the development of required skills and capabilities;
  - acquire and share knowledge; and
  - continue to build a workforce of capable, competent and committed employees.
- 37.3 Employees commit to learn and apply new skills and knowledge, adapt to new ways of working and participate in initiatives which assist RCC to meet future needs.
- 37.4 RCC is committed to training and career development for all RCC employees. Training shall be consistent with the *Australian Quality Training Framework (AQTF)*, where appropriate, and wherever possible will aim to satisfy the requirements of the relevant industry, professional or statutory body.

### **38. Performance Appraisal System**

- 38.1 Performance Appraisal focuses on improving capabilities and productivity of individuals and teams. The development, implementation and/or continuous improvement of performance management systems will be an ongoing collaboration and consultation between management, employees and the Unions.
- 38.2 RCC will introduce a common date approach to performance appraisals in which all performance appraisals will occur across RCC during the month of March. This will assist with the planning and budgeting cycles at RCC.

### **39. Classification / Reclassification Process**

- 39.1 Employees will be classified in accordance with the classification definitions contained in the relevant Award. RCC will ensure that each position has a written job description available, detailing the duties that the incumbent of the position is required to undertake.
- 39.2 Employees may make applications for reclassification of positions on a twice-yearly basis. Employees may submit *Requests for Reclassification form* by 31 May or by 30 November each year for consideration and RCC will provide a decision within twelve (12) weeks of those dates. While requests for reclassification may be submitted at any time, unless exceptional circumstances exist (such as substantial change or restructuring of the position), consideration of the request will not occur until the next round of the reclassifications cycle.
- 39.3 Managers/supervisors can request a reclassification and evaluation of a position at any time where there has been a RCC directed change in the design of the position and/or organisational restructure.
- 39.4 Reclassifications are based on the evaluation of the duties, responsibilities and skills required to perform the inherent requirements of the role, and not necessarily the capabilities of the person filling the position.
- 39.5 Generally a position may be reviewed for reclassification if the duties, responsibilities and/or skills required to perform the role have increased, require greater complexity or have significantly changed.
- 39.6 Employees shall be given a written response to their request, including reasons where a request for reclassification to a higher level has been refused.
- 39.7 An employee may dispute the classification determined by RCC. Any disputes that are initiated regarding classification shall be dealt with in accordance with the dispute resolution procedure of this Agreement.
- 39.8 A position reclassification application will only be assessed once per year, when the request has been received from the employee.
- 39.9 Any position reclassification will not result in a reduction of pay for existing employees. This provision does not apply where a position reclassification has resulted from disciplinary or performance management action.
- 39.10 If a position has been reclassified one (1) level higher, the employee will automatically progress with the position to the higher level, without triggering redeployment and/or redundancy. This position cannot be requested to be reclassified by the employee for a two year period from the date of the level increase.
- 39.11 If a position has been reclassified two (2) or more levels, the *Redundancy and Redeployment* provision within clause 43 will be triggered.
- 39.12 The reclassified position will be advertised internally, in the first instance:

- a) suitable redeployees will not automatically be placed in the reclassified position;
- b) if the employee of the reclassified position is the only person who applies, and is suitable for appointment (ie. has been assessed by a selection panel to meet the selection criteria, and has demonstrated capability to perform all the responsibilities of the reclassified role), they will be appointed without having to go through a full interview process and referee check.

#### **40. Recruitment**

- 40.1 Simultaneous advertising means advertising a vacant position to employees of RCC and externally to the public at large, seeking applications for the filling of a vacant position by means of appropriate advertisements timed to appear the same time. Where RCC is of the opinion there are no suitably skilled and/or qualified employees within RCC, or where it is anticipated limited numbers of applicants will be received from internal applicants, the parties agree that simultaneous advertising can take place for all positions at RCC's discretion, irrespective of the classification level.
- 40.2 All things being equal, the most suitably skilled and qualified internal applicant will be considered as a preference for the appointment of positions classified Level One (1) to Level Five (5), inclusive, of the *Queensland Local Government Employees' Award – State 2003*.
- 40.3 For positions classified at Level Six (6) to Level Nine (9), inclusive, under the *Queensland Local Government Employees' Award – State 2003*, or those positions deemed to be technical or specialist in classification and governed by another relevant Award, RCC will consider all applications received and appoint the most suitably skilled and qualified applicant, based upon merit, irrespective of whether or not that person is an internal or external candidate.

#### **41. Travelling Directly to a Work Site**

- 41.1 Employees will commence/finish work at the location of the current construction/workplace as appropriate in order to maximise utilisation of resources.
- 41.2 Where appropriate, if employees have to pass the Depot to reach the job, they may take advantage of the allocated transport available to this job.
- 41.3 Implementation of such arrangements shall be by mutual agreement with the work areas concerned.

#### **42. Workcover**

- 42.1 When an employee is on a workcover/rehabilitation or return to work program, he/she will not be entitled to work under the nine (9) day fortnight roster, on-call roster or overtime. When the employee has completed the return to work program and can resume normal duties/hours, they may be rostered back onto the nine (9) day fortnight roster, on-call roster or overtime.

#### **43. Redundancy and redeployment**

- 43.1 Objectives:
  - a) to maintain, wherever possible, employees whose positions have become redundant in continued employment within RCC;
  - b) to make reasonable attempts to retrain and redeploy employees whose positions have become redundant;
  - c) to pay monetary compensation to those employees whose positions have become redundant and who have not been redeployed and whose employment is to be terminated in accordance with the terms of this clause;

- d) to assist employees whose positions have become redundant to find suitable ongoing employment; and
- e) to utilise forced redundancies only as a last resort.

#### 43.2 Employees exempted

This clause does not apply to:

- employees terminated as a consequence of serious misconduct that justifies dismissal without notice;
- probationary employees;
- apprentices;
- trainees;
- employees engaged for a specific period of time or for a specified task or tasks;
- casual employees.

#### 43.3 Notification of redundancy:

RCC acknowledges the *Notification of Change* requirements (see clause 17 of this Agreement) also apply to redundancy situations. Consequently, where a definite decision has been made that RCC has no need for work to be done by a RCC employee, RCC shall, at the earliest practicable time, notify the employees who may be affected by the changes and the Union.

#### 43.4 Redundancy Procedure:

The following steps outline the Procedure in summary:

- a) a redundancy decision is taken (see above);
- b) the employee may be offered a departure package;
- c) if no offer of a departure package is made the employee will become a redeployee (see above) and a redeployment program will be put in place;
- d) if the employee declines an offer of a departure package that is made to them, then the employee will become a redeployee (see above) and participate in the six (6) month redeployment period;
- e) if the six (6) month redeployment period concludes without the employee being placed in a suitable position at the employee's substantive classification level or, by agreement to a lower classification level, then the employee can be retrenched and will be paid the severance entitlement contained within this clause.

#### 43.5 Redeployment:

Redeployment is a process of placing employees in meaningful employment who have been displaced within RCC. Where a person who is displaced is made a redeployee, the following steps apply:

- a) During the redeployment period, RCC and the displaced employee must engage in activities that will maximise the opportunities for the displaced employee to be placed in substantive employment.
- b) RCC will provide appropriate and reasonable retraining opportunities, provide each redeployee with a case manager and ensure displaced employees have reasonable access to job vacancy details. RCC will consider the suitability of redeployees for vacancies at their substantive level prior to advertising all positions.
- c) The redeployee, in consultation with their manager/supervisor, must complete a *Redeployment Agreement* and an *Action Plan* for the redeployment period. The

*Redeployment Agreement* commits the redeployee to actively participate in appropriate retraining and applying for appropriate roles. The *Action Plan* outlines the tasks that the manager/supervisor and redeployee will undertake to find suitable alternative employment. The manager/supervisor must ensure that the employee is provided with reasonable resources, support and training to enable employment transitions.

- d) Retraining must be oriented towards existing or anticipated realistic employment opportunities and linked to the *Action Plan*.
- e) Displaced employees must participate actively in the redeployment process by making themselves available to be considered for vacancies, accepting reasonable redeployment and retraining opportunities and being pro-active in searching and applying for jobs.
- f) During the redeployment period a displaced employee may be placed (transferred, redeployed or seconded) to a vacancy without the position being advertised. A displaced employee can be placed into an internal vacancy at their substantive classification level or one (1) level below their substantive classification level, RCC will:
  - i) consider the displaced employee before other applicants;
  - ii) assess the employee's suitability for the position solely in relation to their capacity to meet the selection criteria and not on the basis of relative merit;
  - iii) if the employee is deemed suitable, appoint the employee to the position; and
  - iv) provide feedback to the employee upon request.
- g) If there is more than one (1) suitable redeployee for a position vacant, a merit based process is to be undertaken to select the most suitable redeployee.
- h) If the vacancy is more than one (1) classification level below their substantive classification level, clause 48.6 applies.

#### 43.6 Transfer to lower classification:

- a) Where an employee is transferred to a position which is one (1) classification level lower than the employee's former classification due to redeployment, the employee's former rate of pay will be maintained until such time as the lower classification rate of pay is equal to the employee's former rate of pay. The maintenance of the former rate of pay will not include any incremental increases or wage increase.
- b) If an employee requests and/or agrees to be transferred to a position which is more than one (1) classification level lower due to redeployment, the employee will not be entitled to salary maintenance, and will receive the rate of pay of the lower position from the date of transfer.
- c) At the end of the six (6) month redeployment period, if the employee is not offered a position at his/her former classification, the employee will be eligible for a departure package in accordance with clause 43.83.8, unless the employee then elects to accept any offer that may be made to transfer to a lower paid position.

#### 43.7 Retrenchment

- a) Where a suitable alternative position cannot be found within the six (6) month redeployment period, the redeployee may be retrenched. However, prior to any decision being taken to retrench an employee, RCC will meet with the affected employee to discuss the redeployment process. Retrenchment will result in the payment of a severance package. Retrenchment may be voluntary or involuntary.
- b) Involuntary retrenchments will occur only a last resort.

- c) Unless otherwise approved by the CEO, any employee who receives a severance payment due to redundancy cannot be reemployed by RCC for at least twelve (12) months, in any form.

#### 43.8 Severance pay

Where an employee is retrenched or accepts a departure package, the employee will be entitled to a payment equal to the employee's ordinary rate of pay at the date of notification, of two (2) weeks for each year of service.

However the employee:

- a) Must receive an amount equal to the employee's ordinary rate of pay for four (4) weeks; but
- b) Must not receive an amount more than the employee's ordinary rate of pay for fifty-two (52) weeks.
- c) An ordinary rate of pay for severance pay purposes is defined in clause 11.5.
- d) For employees who have had mixed tenure (part time/full time) at RCC, the severance payment will be based upon the actual agreed to work pattern at the date of notification.

#### 43.9 Departure payment

If the employee accepts in writing, a formal offer of a voluntary departure package within two (2) weeks or fourteen (14) calendar days of the offer being made, the employee maybe also entitled to a further payment to be determined by the CEO. This offer of this payment is at the sole discretion of the CEO and will not be available in all cases.

#### 43.10 Employee leaving during notice period

An employee given notice of termination in circumstances of redundancy may terminate his/her employment during the period of notice set out in clause 34. In this circumstance the employee will be entitled to receive the benefits and payments they would have received under this clause had they remained with RCC until the expiry of the notice, but will not be entitled to payment in lieu of notice.

#### 43.11 Job search entitlement

Employees shall be allowed up to one (1) day's time off without loss of pay during each month of notice for the purpose of seeking other employment;

If the employee has been allowed paid leave for more than one (1) day during the notice period for the purpose of seeking other employment, the employee may, at the request of RCC, be required to produce proof of attendance at an interview or he/she shall not receive payment for the time absent. For this purpose a statutory declaration will be sufficient.

#### 43.12 Financial Advice entitlement

Employees will be entitled to one (1) paid meeting in work time with a registered financial adviser/planner, up to the value of \$350. A receipt by a registered financial adviser/planner must be provided for reimbursement, up to the amount of \$350 for this meeting.

#### 43.13 Transmission of business

The provisions of clause 43 are not applicable where a business is before or after the date of this Agreement, transmitted from one employer (in this sub-clause called the **transmittor**) to another employer (in this sub-clause called the **transmittee**), in any of the following circumstances:

- a) Where the employee accepts employment with the transmittee which recognises the period of continuous service which the employee had with the transmittor and any prior transmittor to be continuous service of the employee with the transmittee; or
- b) Where the employee rejects an offer of employment with the transmittee:
  - i) in which the terms and conditions are substantially similar and no less favourable, considered on an overall basis, than the terms and conditions applicable to the employee at the time of ceasing employment with the transmittor; and
  - ii) which recognises the period of continuous service which the employee had with the transmittor and any prior transmittor to be continuous service of the employee with the transmittee.

## **PART 8 - ALLOWANCES**

### **44. Roll up of Allowances**

- 44.1 The following allowances shall be deemed to be included in the annual wage for that class of employee, for all purposes, provided that the employee is entitled to that allowance:
- Construction;
  - Reconstruction;
  - Alternation, repair and/or maintenance work; and/or
  - Tool allowance.

### **45. Live Sewer Allowance**

- 45.1 Employees from Waste Water Reticulation and Mechanical/Electrical Team and who are engaged consistently in work which involves direct personal contact with raw sewage, in a live sewer or internal cleaning of septic tanks, releasing blockages in sewerage lines, septic tanks and connections thereto, shall be paid four (4) hours at the rate of time and a-half for all time so engaged only on the days worked.
- 45.2 During overtime and work on Saturdays, Sundays or public holidays these employees shall be paid in addition to the relevant overtime, weekend or public holiday rate an additional payment of time and a-half for actual time engaged on live sewer work.
- 45.3 The term 'live sewer work' shall mean work carried out in situations where there is direct aerial connection with a sewer through which sewerage is flowing. The term shall also include work in connection with internal cleaning of septic tanks and cleaning of mechanical plant which is contaminated with sewerage. Where aerial connection with a sewer or septic tank is blocked by a disc, plug, valve, water seal or other means, the live sewer rate shall not apply.
- 45.4 Live Sewer Allowance shall not apply to employees engaged in the operation of, or supervision of work at, sewerage or waste water treatment plants.
- 45.5 If an employee works on an RDO, the employee can elect to either receive payment for the RDO or bank the RDO. The payment for live sewer will in accordance with clause 5.8.2 of the *Local Government Employees' (excluding Brisbane City Council) Award – State 2003*.
- 45.6 Live Sewer Allowance for all other employees will be in accordance with the relevant Award.

#### **46. Biological Allowance**

- 46.1 Wastewater treatment plant operators and assistant operators shall be paid a biological allowance of an additional two (2) hours per day at their ordinary time rate for the standard nine (9) day fortnight working roster when work is performed at wastewater treatment plants.
- 46.2 This allowance will not be paid for work on weekends, rostered or otherwise, on overtime, on public holidays (except where the public holiday forms part of the standard nine (9) day fortnight, in which case the public holiday working day will attract the allowance), or on periods of leave including annual and long service leave. Part days of sick leave do not affect the payment of the biological allowance, but a full day of sick leave will be paid as ordinary hours with no claim to the biological allowance.
- 46.3 This clause is in full and final settlement of all parties' claims for its duration. It is a term of this clause that no party will pursue any further claims relating to wages or conditions of employment (eg live sewer allowance).

#### **47. Dead Animal Removal Allowance**

- 47.1 Employees will be paid an allowance of \$10.00 per week when removing dead animals regardless of the amount collected or size of the dead animal. If no animals are collected, this payment will not occur.

#### **48. Pesticide Spray Allowance**

- 48.1 Employees using pesticides for the control of weeds, mosquitoes and other pests shall be paid an additional amount at the rate of \$13.10 per week whilst engaged in such work.

#### **49. Trailer Allowance**

- 49.1 Employees driving a motor vehicle to which a light trailer, caravan, compressor, concrete mixer, lighting plant, welding plant, road broom or generator set is attached shall be paid an allowance of \$3.40 per day. This rate shall apply whether the trailer is loaded or empty and regardless of whether the trailer has a single axle or has more than one axle.

#### **50. Servicing of Vehicles Allowance**

- 50.1 Where an employee is required to service an identified and approved piece of large plant, machinery or vehicle, the employee shall be paid an allowance 3.5 hours overtime per fortnight at the rate of time and a-half. This allowance is in compensation for providing additional time required to service and maintain the plant/machinery and equipment. Servicing shall be completed outside normal working hours. Where servicing occurs during normal working hours no service overtime will be paid. No extra claims of overtime will be paid with respect to the servicing of large plant/machinery and vehicles.

### **On-call, Remote Technology and Call-out Allowances**

#### **51. On-call Allowance**

- 51.1 RCC may require an employee to be on-call, or to perform emergency work outside of the employee's agreed scheduled ordinary working hours. Employees' on-call are required to hold themselves available to perform emergency work if required by RCC.
- 51.2 Where RCC requires the employee to be on-call and be readily available and accessible (both physically and/or by telecommunications as appropriate) to perform emergency work, an allowance at the rate of \$40.00 per day for each day the employee is on-call shall be paid.

- 51.3 To be eligible for the allowance, the employee must have been instructed to be available for work, be readily accessible (within a half an hour radius of RCC place of employment) and in a fit state if called upon to perform work. The mere provision of electronic means for contact or to perform work remotely does not in itself justify entitlements to the allowance.
- 51.4 On-call employees will be provided appropriate resources to undertake their duties. Assignment of employees to on-call duties will be undertaken on a consultative basis between management and employees, having due regard to principles of reasonable direction, employee well-being, and equitable distribution of on-call duties.
- 51.5 When an employee is required to be on-call on any gazetted public holiday, an employee shall have one stand-by day added to the employee's balance for each public holiday on which the employee is required to remain on-call.
- 51.6 If an employee is on sick leave, annual leave, long service leave or an RDO, they are ineligible to be rostered on-call and will not receive payment of this allowance.
- 51.7 If an employee is on sick leave, they must notify their manager/supervisor as soon as practicable, so that the on-call roster can be managed.
- 51.8 For the purposes of clause 51, 52 and 53, emergency work occurs when urgent work is required to be done which cannot wait until the next business day. Emergency work is therefore associated with an emergency call-out (whether performed from home or at a workplace) and includes duties reasonably associated with that callout.

## **52. Remote Technology Allowance**

- 52.1 On-call employees required to respond or undertake emergency work for RCC via telephone or computer (and not required to personally attend on site to a call-out) will be paid a minimum of one (1) hour at the applicable ordinary hourly rate of pay. If another after hours call is received within the one (1) hour period, no additional payment will be made for that hour. However if a second after-hours call is received after the initial one (1) hour period, a second call will be treated as a separate incidence, and will be paid a minimum of one (1) hour at the applicable ordinary hourly rate of pay, and so on and so forth.
- 52.2 Logs must be maintained by the on-call employee and must contain:
- date;
  - start and finish time of remote emergency work undertaken; and
  - description of work undertaken.
- 52.3 Only employees who are instructed or rostered for after-hours work in accordance with this clause will be required to respond to after-hours calls.

## **53. Call-Out Payment**

- 53.1 If an employee is required to travel to a work place to perform the necessary emergency work, all work performed by the employee shall be paid for at the prescribed overtime rates in the relevant Award for that day, from the time of leaving home to commence work until the time the employee returns home.
- 53.2 The payment received in these circumstances shall not be less than three (3) hours wages at applicable rates on the first occasion on any one day the employee is required to leave home, provided that any subsequent requirement to perform work away from home which occurs within the initial three (3) hour time period and does not extend beyond the three (3) hour time period will not be subject to an additional payment of three (3) hours.

53.3 Any subsequent requirement for an employee to leave home to perform work will be paid at the appropriate overtime rate for the actual time worked with no prescribed minimum.

#### **54. Standby Allowance for Bushfire and Storm Response**

54.1 During the bushfire and storm season, RCC may require employees to be on standby for bushfire and storm response.

54.2 Employees shall be paid an allowance of \$40.00 per day upon which the employee is required to be on-call for bushfire or storm response. In the case of a public holiday falling on the Friday and/or the Monday, employees on standby for bushfire response will be paid an additional \$40.00 per day for each public holiday.

### **PART 9 – HOURS OF WORK**

#### **55. Hours of work**

55.1 Spread of hours shall be as per the relevant Award provisions.

55.2 The approval of the Manager/Supervisor is required to work in excess of the normal daily working hours.

55.3 Work on Saturdays and Sundays can be undertaken between 7:00am and 4:30pm:

55.3.1 by sourcing volunteers from within the workgroup/team/area; or

55.3.2 through the relevant Award provisions.

55.4 Work performed on a Saturday and/or a Sunday as part of the 38 hours week shall be paid at Award rates.

55.5 Where the employee seeks to alter the spread of days to include weekends to suit their personal circumstances, the agreement in writing shall indicate the change was at the employee's request, and RCC will not be liable for the weekend penalty rates.

55.6 This clause applies to all employees whether full time or part time.

### **PART 10 – SPECIAL EMPLOYMENT ARRANGEMENTS**

The following hours of duty will apply to the following classes of employees:

#### **56. Special Maintenance Teams and Team Leaders (Gangers)**

56.1 This section only applies to special Maintenance Teams and Team Leaders (Gangers).

56.2 Two (2) general purpose maintenance teams can be formed, and each team will work on a roster basis which may incorporate Saturday and/or Sunday.

56.3 The roster for each team shall be established following consultation between the manager/supervisor and the employees within each team and provide for two (2) consecutive days off per week, except for where the change of roster occurs.

56.4 Bandwidth:

- 6:00am - 6:00pm, Monday to Friday;
- 7:00am - 4:30pm, Saturday and Sunday.

- 56.5 Work performed on a Saturday and/or a Sunday by these teams as part of the 38 hours week shall be paid at Award rates.
- 56.6 Work on Saturdays and Sundays will be undertaken by:
- i) Firstly, sourcing volunteers within the workgroup/team/area;
- Secondly, sourcing other volunteer replacement employees to ensure the work is completed, that is, if one or more members of the work group does not wish to work, then the manager/supervisor is to source replacement employees;
- Finally, by the manager/supervisor providing seven (7) days notice to the employees concerned, and this occurring after consultation with the employee and consideration of their personal and family commitments.
- 56.7 Ordinary hours are to be worked 76 hours per settlement period. This will normally be worked over nine (9) days, i.e. nine (9) day fortnight and the standard day will be 8.5 hours or 8 hours, depending on the roster.
- 56.8 The approval of the manager/supervisor is required to work in excess of the normal daily working hours.

## **57. Construction Teams**

- 57.1 This section applies to construction teams.
- 57.2 In the Infrastructure and Operations Groups, Construction Teams may be required to perform construction on special projects on weekends on an infrequent basis where working during normal hours could result in a reduction of customer service. For example, work in town centres, work outside schools, major water main cut-ins, work on roads with heavy traffic, and community planting projects.

## **APPENDIX TWO – NINE (9) DAY FORTNIGHT**

### **78. Nine day fortnight**

- 78.1 Employees must at all times obey directions given by their managers/supervisors regarding hours of attendance. If a manager/supervisor directs an employee(s) to commence or cease work at a time which the individual would prefer to be absent, the manager/supervisors directions are to be followed.
- 78.2 It is essential therefore, that all employees working a nine (9) day fortnight arrangement are aware that the first priority is the maintenance of acceptable workflows. Accordingly, there will need to be cooperation between employees, managers/supervisors in planning of working time so that during work periods resources are available to service the needs of the public, other departments and organisations, and to enable the continuance of interoffice communication and services.
- 78.3 Managers/supervisors are responsible for monitoring and managing each employee's attendance patterns and where these are found to be unsatisfactory, the manager/supervisor should immediately counsel the employee. If, despite counselling by the manager/supervisor, an employee's attendance pattern continues to be unsatisfactory, the matter should be referred to the Group Manager of the department for further action. Inclusion or participation in the scheme will not be unreasonable withheld; however, RCC will at all times reserve the right to determine who may be excluded from participation, for reasons such as unsatisfactory attendance records.
- 78.4 The success or failure of the system and its continuance depends greatly on the attitudes, responses and cooperation of both employees and management. It is to be remembered that a nine (9) day fortnight arrangement has been designed primarily to enable employees to work more efficiently and to enable them to have balance work and family commitments.

### **79. Hours of Work**

- 79.1 Employees must at all times, obey directions given by their managers/supervisor regarding hours of attendance. If a manager/supervisor directs an employee to commence or cease work at a time which the individual would prefer to be absent, the manager/supervisor's directions are to be followed.

### **80. Settlement Period**

- 80.1 For a nine (9) day fortnight, the settlement period is a fortnight. The nominal requirement is for employees to work seventy six (76) hours during the settlement period.

### **81. Rosters**

- 81.1 Where work functions require employees to provide customer services within specified opening times, rosters may be drawn up, in consultation with employees, within the spread of hours in the relevant Award.

### **82. Standard Day**

- 82.1 A standard working day will be either eight (8) or eight and one half (8.5) hours, depending upon the roster.

### **83. Lunch Break**

83.1 Employees must take a lunch break of a minimum of thirty (30) minutes, and a lunch break must be taken after an employee has worked continuously for five (5) hours. For example an employee who commences duty at 7.00am must begin a lunch break not later than 12.00pm.

### **84. Rest Pauses**

84.1 Rest pauses of ten (10) minutes duration can be taken during the morning and afternoon periods. There is no requirement to sign off during these periods.

### **85. Rostered Days Off (RDO)**

85.1 The employee shall be entitled to a rostered day off (RDO) without reduction in pay each fortnight of employment except as is otherwise provided for in this Agreement. This RDO will be based on a mutually agreed rotating roster developed annually.

85.2 Normal RDO's will be taken in accordance with this annual schedule. With managers/supervisors approval, an employee may vary the day of their normal RDO for a specific reason. Such approval would not be unreasonably withheld.

85.3 Employees who supervise or support employees who work thirty eight (38) ordinary hours per week shall have the same day off without reduction in pay as the employees they supervise or support.

85.4 Where RCC requires an employee to work their normal RDO, the employee will have the choice to nominate in advance whether the RDO worked will be paid at the appropriate Award rate, or banked.

85.5 Work on RDO's will be undertaken by:

- a) Firstly, sourcing volunteers within the workgroup/team/area;
- b) Secondly, sourcing other volunteer replacement employees to ensure the work is completed;
- c) Finally, by the manager/supervisor providing, where possible, seven (7) days notice to the employees concerned, and this occurring after consultation with the employee and consideration of their personal and family commitments.

85.6 Where RCC requires employees to attend training on their RDO, these days will be banked, for use during a Christmas shut down. RCC will give reasonable notice of training to be undertaken on an RDO and will be to a maximum of two (2) RDOs per calendar year.

85.7 Banked RDOs redeemed will be paid in the pay period in which they are taken.

85.8 Where banked RDO's cannot be taken, they will be paid to the employees at the appropriate rate.

85.9 Where emergency or work demands require the Executive Manager or delegate to recall an employee on their rostered day off to work on a particular day, then that employee will be entitled to claim overtime in accordance with the relevant provisions of this Agreement and the respective Award.

## 86. Temporary Suspension

86.1 The temporary suspension of the taking of RDO's, will be permitted during periods of intense activity associated with construction work, project work, rates levy and payment period and the like, by agreement between the Senior Manager or delegate and employees. RDO's that would normally be taken during a period of suspension may be stored as banked RDO's and taken at a time more convenient to RCC's operations.

## 87. Accrual of RDO's

87.1 Employees will have the ability to bank up to a total of five (5) days. Three (3) of those days may be used for a Christmas Shut down period, if initiated by RCC. RCC will advise its decision regarding the Christmas Shut Down by 31 July of that year.

87.2 If RCC does not shut down over the Christmas period, these accumulated three (3) days must be taken by the end of March the following year.

## 88. Notification of Absence

88.1 Under the nine (9) day fortnight, the normal requirements apply for notification of absences where prior approval for leave has not been given. Employees who for any reason will not be attending for duty when expected and who have not received prior approval are required to notify their manager/supervisor by telephone by a minimum of half an hour prior to normal start time or at the first opportunity on the day of absence.

88.2 Failure to notify of an absence on more than one (1) occasion may result in disciplinary action.
