### Values

# **CEO** Report

The period from 1 October to 31 December 2018 was both a productive and eventful time for the RIC team.

Importantly, on 19 December 2018, RIC delivered a dividend to Council of \$1.5 million.

A significant body of work has recently been completed to update RIC's governance framework and improve collaboration between the RIC team and Council officers. Sections of RIC's Constitution have been redrafted and the RIC/Council Service Agreement updated, to more closely align with Council objectives. Both documents will be presented to Council for endorsement in early 2019.

Steering committees comprising of Council Executive Leadership Team members and senior RIC staff have been formed for both the Weinam Creek Project and Capalaba Town Centre Revitalisation Project. This has resulted in a more productive and positive working relationship.

The expression of interest campaign for the Capalaba project commenced in December 2018 and will close mid-February 2019. Planning for the construction of Moores Road car park within the Weinam Creek PDA is almost complete, with construction set to commence in the first half of 2019.

The team and I look forward to a successful year and further demonstrating our ability to add value and benefit the community.

Financial summary					
Period ending 31 December 2018	Annual Budget \$	YTD Budget \$	YTD Actual \$	YTD Variance \$	Comments
Revenue	10,050,821	4,604,503	4,591,466	(13,037)	- Unfavourable predominately due rental revenue
Expenditure	9,559,002	5,502,512	5,465,148	37,364	- Favourable due to timing of corporate and consultant costs
Operating Surplus/(Deficit)	491,819	(898,009)	(873,682)	24,327	- Favourable
Cash Balance	1,231,728	325,837	658,918	333,081	- Favourable predominately due to timing of GST payment

RIC remains on track to achieve a budgeted profit of \$491K, an ending cash balance of \$1.23M and a net worth of \$13.72M as at 30 June 2019.

The projected budgeted net profit for FY 2018/2019 will predominately be from the sale of Weinam Creek (Moore's Road), which is expected to be realised in full by June 2019.

As resolved by the board a \$1.5M dividend was paid on 19 December 2018 to Council. The budget does not at this stage include a proposed dividend for FY 2018/19 and FY 2019/20 on the basis that profits will be reinvested back into the business to grow a portfolio of developments and investments for RIC. Whilst a cash dividend is not being proposed, it is noted RIC will purchase land at fair value, such as Moore's Road, from Council rather than treating it as a contribution of equity at book value.

Cash flow will be managed prudently over the next three months with the next significant cash inflow not expected until the settlement of Weinam Creek (super lot) in March 2019. RIC will seek borrowings in May 2019 to fund 521 Old Cleveland Road East, Birkdale project costs. RIC will also enter into a contract with Council to construct the staged car park works at Weinam Creek.

The balance sheet remains strong with no debt as at 31 December 2018. In the short term, \$1.61M (comprising of 4 Wills Lane Capalaba, 61 McMillan Road Alexandra Hills, 68 Sycamore Parade Alexandra Hills and 84 Ferry Road Thorneside) of inventory will be transferred back to Redland City Council at book value via a return of capital.
