Good morning Jason

I didn't see any other RCC councillors in the afternoon session yesterday. I saw the CEO seated with the General Manager Organisational Services.

There were many council representatives in the auditorium. I was surrounded by mayors who were seated with their EO's.

The LGAQ provided a summary of suggestions in line with policy positions.

Subject: ALGA motions

Good afternoon Mayor,

I have found the debate of motions put forward by local governments this afternoon to be quite interesting.

I also noticed representatives of various Councils were sitting together discussing these items in order to assist the delegate with their vote.

Are you able to facilitate this for our cohort for future sessions, please?

Thank you,
Jason
