

Community Grants Program

Build and Thrive Grant 2025/2026

Awarded Applications

Grant ID	Years Committed – Multiyear * (if applicable)	Organisation Name	Project Title	2025-26
BTG-2526-019	2025/26	Redlands Touch	Redlands Touch Security Upgrade This project will upgrade CCTV and security infrastructure across the clubhouse and lease-area, expanding visual coverage to improve public safety and improving usability of security infrastructure for volunteers and staff.	\$25,003.62
BTG-2526-025	2025/26	Wynnum Redlands Canoe Club Inc.	Legacy & Growth; Infrastructure for the Future of Paddle Sports This project involves the construction a new 12.02m x 7.60m storage shed with a concrete slab foundation. The facility will provide safe, secure, and weather-protected storage for community/club canoes, kayaks, and rescue equipment. Improvements will increase storage capacity, improve organisation, reduce manual handling risks, and extend the lifespan of valuable community assets.	\$72,388.18
BTG-2526-004	2025/26	Amity Point Community Club Inc	Air Conditioning for Meeting/Photo Room This project will include the supply and installation of air conditioning for the meeting / photo room at the Amity Point Community Club. This will increase the usability of the room for the community, particularly during the summer months.	\$5,400.00
BTG-2526-005	2025/26	Bay Islands United Football Club Inc	Soccer Field Fence West Side This project will install appropriate fencing and gates along the west side of the soccer field to address safety concerns due to an increase in road traffic in the vicinity. The fence will greatly enhance the safety of our players, families, and the wider community, while enabling the club to provide a more secure and professional environment for participation.	\$24,935.00
Total Build and Thrive Grant Awarded				\$127,726.80
