☐ Bricks and concrete

☐ Other – (please describe)

Vehicle Details

Make and model

GVM (combined gross vehicle mass)

Registration number

☐ Vehicle renewal notice attached.

(If more than one vehicle, attach registration details for each vehicle.)

Declaration

On behalf of (organisations name)

I declare that I have donated my services free of charge for this event and do not own any other vehicle to transport waste and consequently need to use the vehicle as detailed above to transport my organisations waste to the Recycling and Waste Centre.

I undertake that the organisation is eligible for a waiver to dispose of clean, uncontaminated and segregated mixed waste or green waste up to the value of \$3000 per annum and must be transported in a vehicle with an GVM mass of less than or equal to 4.5 tonne pulling trailers. For any vehicle over (including trailers) GVM of 4.5 tonne, prior approval is required by the Service Manager, Waste Operations.

I am aware that all waste generated must be from activities within the Redland City local government area. The original letter of exemption must be handed to the gatehouse staff. Photocopies will not be accepted.

Once the limit has been reached, account will be deactivated and notification sent to applicant.

I acknowledge that this approval is not transferable and not redeemable for cash.

I understand that Redland City Council reserves the right to remove this service should a misuse occur.

Please allow up to 10 working days for your application to be processed.

Signature

Date

If your application is successful you will receive the Community Service Vehicle Exemption in the mail within 10 working days.
