

Eco-inspired
Meetings Conferences & Events

Redlands Coast IndigiScapes Centre is a dedicated space providing opportunities for learning and connection whilst nestled within over 14 hectares of natural bushland. Located just 30 km from Brisbane CBD, Redland City Council's unique environment and education centre is an eco-tourism attraction offering a tranquil and engaging experience for every visitor.

At IndigiScapes you'll discover simple ways to connect with nature and protect our environment for future generations to experience and enjoy. During your visit our team can help you to explore the natural wonder and beauty of the unique habitats, flora and fauna found on Redlands Coast.

Be inspired! At IndigiScapes you'll see sustainable actions in practice. Guided by our Green Living Policy, we are moving towards a zero waste future. All food scraps, compostable plates and napkins are collected from our onsite café and transformed into beautiful rich fertiliser. Solar energy is harnessed to power our Native Community Plant Nursery and we use rainwater from our tanks to supply our bathrooms and recycled water to keep our beautiful botanic gardens a lush, green oasis.

Located within our precinct are a range of different spaces and experiences including:

- An open air café/casual dining space – serving fresh native inspired flavours.
- Gift shop offering a carefully curated selection of sustainable products.
- An interactive educational Discovery Centre to explore.
- Three walking tracks accessible for all ages and abilities – showcasing Fairy Wrens, a majestic 400 year old Tallowwood Tree, and native wildflowers.
- Outdoor spaces for learning, creating, relaxing and playing,
- An native plant nursery – with a hands-on learning space
- Purpose-built conference spaces ideal for hosting meetings, workshops, small conferences and events including an open air breezeway.

Help your team unwind, unplug and reconnect with nature.

Let us help you to find a place for your team to reset, restore their wellbeing and engage with each other away from the stresses of the office. Take part in team building, creative problem solving, learning and professional development – free of distractions – in one of our dedicated indoor or outdoor spaces. When you return to the office you will all feel rejuvenated and ready to re-engage.

Imagine a place...

where you can hold an event close to the city, but escape the concrete jungle and be nestled within the serene surrounds of natural bushland.

Imagine a space...

where you can enjoy hearing birds calling, see native wildlife up close, all while looking out over a meandering creek and soaking up the serenity.

Discover why Indigiscapes is an eco-wonder and the perfect place for your next event or workshop.

Our Conference Room is available for hire for meetings, boutique/intimate conferences and events. With all the latest technology this fully-connected and versatile space offers an ideal environment for:

- Theatre style presentations
- Boardroom or round table meetings
- Team workshops
- Mini-conferences

We'd love to host you for your next event, workshop or conference soon.

Our beautiful air-conditioned conference space and adjoining open air breezeway provides the ideal facility and ambience for your meeting, conference or event. The Scandinavian-styled room has been designed to showcase recycled timbers and natural light. Large windows provide a nature filled outlook over our native bushland and creek. You might be surprised by our birdlife and possums at any time!

It's a great way to connect with nature and be transported to a green environment.

Indigiscapes Theatrette

Our Theatrette can be set up any way you require and comes complete with conference set up inclusions:

- Theatrette presentation (with remote controlled black out blinds in place)
- 60 chairs
- 10 tables
- High Definition ceiling mounted Data Projector (resolution 1920 x 1080p) suitable for most typical media container file formats
- Wall projected screen

The breezeway can be utilised for break-out sessions or catering set up for morning/afternoon tea and lunch. We also have other areas within Indigiscapes for breakouts including outdoor decks and lawn spaces.

Room Capacity/Options:

Theatre Style	60 
Class Room	24 
Board Room	30 

At Indigiscapes your event can be carefully curated to just how you want it to be.

Our dedicated Events Team will manage your event and take care of personalising your experience. Whether it be a barista-made coffee or mini lemon myrtle muffins for every participant - along with freshly baked savoury muffins or homemade scones with lashings of jam and cream – we can ensure the little touches will make your event one to remember.

We'd love to inspire you at Indigiscapes to consider your event and how it can link to our mission but also improve your event participant's individual health and wellbeing. We can help create an event schedule for you that utilises our indoor and outdoor spaces and considers many of the unique aspects we have to offer you. This could be team-bonding events, celebratory get-togethers, product launches, exploration workshops or more.

Let us help tailor your experience so you make the most of your location and opportunity!

Ideas to give your event a nature inspired-flavour:

- Start the day off with yoga on our lawn overlooking our creek and bushland reserve.
- Incorporate a short presentation from one of our expert staff on environmental management and hear how to live sustainably at work and home – or let one of our team show you around – and learn more about Redlands Coast native flora and fauna.
- Have a mindfulness break by getting everyone up walking through one of our nature trails. They can see our 400 year old Tallowood tree or spot some freshwater turtles sunning themselves.

- Every participant could receive a native plant from our nursery to take home and plant.
- Take up the recycling challenge! Ask your participants to bring along items from home/ work to recycle at our Recycling Station
- Consider sustainable gifting for your next celebration, rewards or recognition activity. Our onsite eco gift shop is filled with beautiful gifts, homewares and sustainable products.

We support local artists and small businesses – and so can you!

The extensive grounds include a range of facilities which can be utilised for an event including:

- Adventure Playground and nature play space
- Walking tracks – easy grade and perfect for mindfulness walks
- BBQ facilities and picnic tables
- Café with indoor and outdoor seating options
- Discovery Centre – an interactive education and learning space
